FROM THE DEPUTY PRINCIPAL

Dear Parents, Students and Staff,

Mrs Johnston-Croke is progressing well with her recovery and rehabilitation, involving intensive physiotherapy and hydrotherapy, after her knee surgery. She sent her best wishes to students at Assembly last Wednesday to let them know she was thinking of them.

At this Assembly, we presented the Principal’s Merit Awards to students who have shown outstanding effort and academic achievement. A list of these students can be found on Page 3.

Celebrating Mothers

Two special events last week gave us the opportunity to come together to celebrate the significance that mothers play in our lives. The Mother Child Mass and Afternoon Tea had a special liturgy for the important role of mothers and included a blessing of mothers with babies. This was followed by Afternoon Tea. The Senior School Mother Daughter Lunch held the next day, involved mothers from the city, country NSW and overseas coming together to celebrate with their daughters. We were delighted to have Marjorie M pundu, Legal Counsel for the World Bank and her daughter, Year 3 student, Tasheni, attend. Marjorie gave an inspiring speech in which she described some of her journey and the opportunities and challenges she had faced. She emphasised the importance of education and the difference an education had made to her life. As well, she offered some wise advice learnt from her mother, and from the women who have played a mother role in her life and inspired her:

- It does not matter where you start, it matters where you end and how well you travel the road you are on
- Whatever you decide to do in life, demonstrate love, care and dignity
- There will be many challenges on the road you travel; it is how you handle these challenges that will set you apart. There will be sacrifices to be made, just never sacrifice your integrity!
- There will be hard choices to be made; there will always be competing priorities. Whatever choice you make, make it wisely and walk along it with confidence. If it turns out to be a wrong choice, make the turn and follow the new path with passion
- Never discount the small steps that you take, every step you take brings you closer to your destiny, to your fulfillment and the results you achieve may be greater than you had ever imagined. Never discount the detours! Everything fits together ultimately
- Never lose sight of God’s grace and power in your life. Count the many blessings you have. Think of those less fortunate than you, think of girls in many countries who cannot, for one reason or another attend school, think of the girls in Nigeria who are currently abducted just for wanting to go to school, and lend a voice to them.

Music at KRB

Last night the Chapel was the setting for the 5th Annual Night of Song. Students from Years 3–12 showcased their varied talents and expertise in the area of vocal music. All three school choirs, Junior, Senior and Chamber – presented a selection of works from their Term 1 programs. Highlights included the Junior Choir’s energy and accomplished part singing. The Chamber Choir’s presentation included the sublime Sing for Joy by Handel and the Senior Choir performed New York! New York! With great gusto. Soloists from Barat Burn and the Secondary school were polished and varied in their choice of repertoire. Our special guest performer and alumna Miss Hannah McOwan (KRB 2004) entertained concert goers with her rendition of the Etta James classic At Last. The evening was a wonderful testimony to the progression from junior to senior and beyond which is the focus of all choral programs at this school, as well as the work of our singing teachers. There is much joy in the singing at Kincoppal-Rose Bay.

Our chamber orchestra was also privileged to be asked to perform at last week’s “Women for World” luncheon in aid of Caritas, celebrating women’s solidarity and how acting together can change lives. The inaugural event was held at Sydney’s Opera House and was initiated by KRB mothers Alison Green, Michelle Fernon and Nicole Murphy to raise awareness and funds to help women living in poverty and oppression across the globe.

IPSHA Rugby Union

We are very pleased to announce that Emery Jolliffe and Joseph Ryan, Year 6, have been nominated to attend the IPSHA Boys Rugby Union Trial at Shore. Both were selected out of a field of 180 contenders to attend the CIS trial in early June. This is an outstanding achievement.

Naplan

Our Year 3, 5, 7 and 9 students completed the NAPLAN Examinations this week and next week Year 10 and 11 students commence their mid-Course Examinations. Mrs Johnston-Croke and I wish them well. We also look forward to welcoming our Year 1 and 2 families who will join us for Mass and Morning Tea on Sunday.

Warm Regards,
Mr Mark McCrossin
Deputy Principal

FAREWELL

Kincoppal – Rose Bay farewells Mr Damian Banks and Dr Vincent Fernon from the Board of Kincoppal – Rose Bay. They have both made significant contributions to the life of the School.

“I have found that the Board of Kincoppal-Rose Bay is an overwhelmingly positive group of inspiring people. They truly have the best interests of the students at heart. I have seen in my time as a Board member, the school reenergise its focus and position itself as a great Catholic School rather than another good private school.” — Dr Vincent Fernon.

“I think the greatest achievement of the School over the past 9 years has been blending an up-stepped and outstanding (non-selective school) academic set of results from K–12 with a “whole of life” education. I hope that the School continues its international themes and would love to see even more students having the overseas Sacred Heart schooling and cultural experience. The School is a complex business, with passionate stakeholders, from parents to students, teachers to regulators with enormous change every year. The Board represents the owner of the school business with 130 years of history – looking for another 130 years of education! I have thoroughly enjoyed it.” — Mr Damian Banks.
**TEACHING & LEARNING**

**PRINCIPAL’S MERIT AWARDS**

At Kincoppal–Rose Bay, we acknowledge student academic achievement each term. In Terms 2 and 4, awards are presented to students who place 1st, 2nd, or 3rd in their courses.

In Terms 1 and 3, Principal’s Merit Certificates are awarded to students in Years 7-12 for outstanding effort and achievement and teachers are asked to nominate approximately three students in their class who fulfill the following criteria:

- Applied themselves consistently to their studies across the term.
- Achieved to their ability and this has been demonstrated in a particular assessment task or class activity
- Contributed positively to the learning environment for that class

Congratulations to all our Principal Merit Award recipients for Term 1 2014.

YEAR 7 STUDY SKILLS EVENING

This week Prue Salter from Enhanced Learning Educational Services (www.enhanced-learning.net) ran a study skills evening with Year 7 parents and students. The evening helped families put systems in place to help students work towards achieving their personal best in an efficient and effective way. Students examined their home study environment, the way they organise and manage their papers, how to work effectively at home and deal with distractions, how to manage the workload in high school, and the steps to studying in high school: making study notes, learning the notes by testing yourself and doing as much practice as possible. Parents are encouraged to review the handout from the session with students and discuss the main areas identified where changes need to be made. Parents can also find extra study skills tips on the following website: http://studyskillstoptipsparents.com/. All secondary students at our School also have access to a great study skills website to help students develop their skills. Go to www.studyskillshandbook.com.au and enter the username: forkincoppalonly and the password: 110results and start improving your results today!

YEAR 3 STUDENTS WRITING WORKSHOP

On 4 April, three Year Three students attended a writing workshop run by the Harbourside Gifted and Talented Network at Mosman Preparatory. The workshop was designed to teach, develop and refine the students’ writing skills in a collaborative environment. The interesting and diverse teaching and learning activities exposed the students to a variety of types of texts and gave great scope to display their creativity and writing talent. The students were given opportunities to brainstorm, plan, edit and write newspaper articles focusing on adding depth and detail within their sentence and paragraph structure. The three Stage Two students thoroughly enjoyed the experience of listening to professional writers talk about the writing process as well as meeting and working with students of other schools.

“I enjoyed it when we created a newspaper because we wrote our own part of the newspaper.” (Alex Field Year 3)

“I enjoyed writing and typing the newspaper as well as creating a booklet on newspaper articles.” (Poppi Sheridan Year 3)

“I enjoyed writing the newspaper because I thought it was very educational and the whole day was lots of fun.” (Myfanwy Hill-Caulfield Year 3)

YR 12 GREAT BARRIER REEF GEOGRAPHY TRIP

At the start of Term 2, Year 12 Geography students with Mr Kerstens and Ms Galea left Sydney to undertake a four day field trip for tropical North Queensland. The focus of the trip was to experience key aspects of the HSC syllabus first hand: banana farming in Northern Queensland and the biophysical interactions of two world heritage list areas; The Great Barrier Reef and the Daintree Rainforest.

Our first stop was a visit to Pacific Coast Eco Banana’s to view the Frank and Dianne Sciacca farm operations of the wax tip bananas. After a well-earned night’s sleep, we went to the outer reef where Marine Biologist Ruth took the underwater to experience first-hand this amazing living structure. Snorkeling on the reef allowed everyone to really appreciate the amazing array of colours, shapes, and species. The site of Reef sharks and Green Sea Turtles was definitely the highlight of the day.

After exploring the reef we left Cairns and drove to Cape Tribulation to experience the terrestrial environment of the Daintree rainforest. Our first activity was a river boat cruise where we spotted fresh water crocodiles through the mangrove ecosystem. Then it was a hike through the Daintree Rainforest, the oldest surviving rainforest in the world. At Cooper Creek the students gained an insight into the rare flora and fauna. The day was complete when we spotted a Cassowary during the walk about 10 metres away.

After spending the night in the rainforest at Cape Tribulation, it was up early to view an amazing sunrise and breakfast on the beach. Our final stop was a visit to the Daintree Discovery Centre where we were able to walk on elevated platforms through the forest. The fieldtrip was a jam-packed oversized Geography lesson for Year 12 as they prepare for the HSC exams. It allowed students to experience the lush green of the rainforest, the sparkling crystal clear waters of the Great Barrier Reef and to view and appreciate the operations of an eco-organic banana farm.
YEAR 12 MODERN HISTORY EXCURSION BY ZOE BOLLARD

Mrs Wood’s Year 12 Modern History class attended an HSC Study Day at the Australian Museum as Part III of the syllabus: Personalities in the Twentieth Century. The lecture, presented by Christopher Condon, a Senior Modern History textbook author, focused on Albert Speer (1905-1981) and the extent of his influence both within Nazi Germany and internationally. It focused on his role throughout three fundamental periods; as Hitler’s principal architect during the 1930s in the development of Nazi Germany; as the Minister of Armaments and War Production during WWII in prolonging the war; as a War Criminal following the Nuremberg War Crimes Trials, convicted of crimes against humanity and war crimes and imprisoned for 20 years, and as an international best-selling author. It also emphasised the nature of Speer’s upbringing and personality development in creating a manipulative, charismatic and cunning man, capable of evading execution by presenting himself as a “penitent Nazi.” The extent of Speer’s knowledge and involvement in the atrocities executed by the Nazi regime has been highly debated among historians and was also discussed.

The excursion was a valuable experience, providing students with an extensive understanding of the historical context and Albert Speer’s background, rise to prominence and significance. This will undoubtedly prove useful for developing a critical approach to the study of this personality.

K-2 PARENT READING WORKSHOP

On Friday 2 May a number of parents of Kindergarten, Year 1 and Year 2 students took the opportunity to join a workshop focusing on helping their child learn to read. The workshop was facilitated by Ms. Kirsten Leo (Stage 1 Coordinator and 1 Red Teacher) and Ms. Frances Rupolo (Learning Support Teacher). The teachers shared with the parents tips to help with their child’s home reading including:

- keeping it positive
- encouraging their child to use a range of strategies to read words
- asking lots of questions to help with reading comprehension.

The new English Syllabus strongly promotes nurturing a love of literacy and parents were encouraged to read with their child from a range of sources on a variety of topics that interested their child.

If you were unable to join us on the day please help yourself to the handouts at Junior School Reception.

Happy Reading!

YEAR 3 INTEGRATED STUDIES

Over the past few days, Year 3 Red have been immersing themselves in their Integrated Studies topic for this term “How is our body like a machine?” The students have been discussing and exploring the individual body systems and linking their prior knowledge to new information found in books, posters and on the internet. In small groups, the students were given one body system to investigate and then present their drawings and facts to the class. This was a fantastic way to reveal what the students already know about the human body, what they would like to know and areas they need to investigate further.

RSL SCHOOLS ANZAC COMMEMORATION CEREMONY 2014 – YEAR 10

On Wednesday 9 April, the following group of Year 10 students attended the annual RSL Schools Anzac Commemoration Ceremony held in the Sydney CBD at the Anzac War Memorial in Hyde Park:

Harriet Beavis, Yasmine Blaney, Megan Fitzgerald, Georgina Harrison, Grace Harrison, Eva Masur, Madeleine Maganas, Madeleine McDonald, Grace Maynard, Lara Parmenter, Saskia Riedel.

Nearly 100 schools across Sydney were represented on the day, with well over 1000 people in attendance.

Two of our students, Lara Parmenter and Eva Masur, lay a wreath during the ceremony.

All those present were reminded of the significance of Anzac to our nation. It was, as always, a healthy reminder of the sacrifice of those who have served, and those who continue to serve our country in our defence forces for the mutual benefit of all.

I thank the girls for their exemplary conduct while representing KRB in public.

ANZAC DAY – JUNIOR SCHOOL COMMEMORATION CEREMONY

“Anzac Day is a special day for all Australians and New Zealanders because it is the day each year when we remember with gratitude and thanksgiving the exceptional courage and love of our soldiers, sailors and airmen and women who fought so selflessly to bring peace to our world and to keep our nation free as we know it today.”

This was the opening prayer that Year 5 read at the assembly they held on 1 May for the Junior School. The students told of the history of Anzac Day and we prayed for the bravery of all military personnel who participated in this campaign. The lives of those who died in all military actions were remembered, before finishing with the Last Post and a minutes silence.

JOIGNY GROWING SEEDS FROM THE FARM

The Joigny children had a visit from Year 12 student Emily Barclay and her Mum, Sue this week who talked to the children about what grows on their farm at Nyngan. They showed the children some photos of the chickpeas and wheat that grows and had some real seeds for the children to try and grow themselves. Each child was able to plant a number of seeds on cotton wool, watering them and placing them outside in the sun to see if they will grow. The children learned where the seeds came from, what the plants are used for and also all about the things that can eat the seeds ruin crops such as mice and locusts. It was wonderful opportunity for the children to learn about what happens on farms and for them to connect with other members of the school community. Hopefully our seeds will grow and then we can make Weet-bix, bread and hummus as were the children’s suggestions!

Lola – “The seeds are going to grow but we have to give them water.”

Lewis – “The seeds will grow into a flower maybe. We keep watering them and they need sun.”

LAH-LAH AND BUZZ PERFORM FOR JOIGNY CHILDREN

This week the children from Joigny enjoyed a spectacular musical performance from Lah-Lah and Buzz, members of the famous Lah-Lah’s Big Live Band Show. Lah-Lah and Buzz provided a wonderful show filled with music, dance and surprises which had all the children singing, grooving and laughing with fun. The show was captivating and energetic and showcased different styles of music as well as introducing the children to Lola – the double bass. Some of the Year One children also joined in watching the show and thoroughly enjoyed it all.

Ava D – I liked the fast song that went faster and faster and faster and we brushed our teeth faster and faster and faster.

Hunter – The bus song was the best ‘cause we ‘drived’ and had a steering wheel.

Anjola – I loved all of it the best.

KRB HOUSE THEATRESPORTS CHALLENGE

Last Tuesday evening, 42 students from Years 8-12 competed in the inaugural House Theatresports Challenge. The evening was preceded by a Sunday workshop, facilitated by Impro Australia, during which the spontaneous improvisation games were taught and collaboration skills were developed. Students competed in house teams and were challenged to create 1, 2 and 3 minute improvised scenes live on stage. The scenes were then judged by our very own Ms Bartley, Ms Waters and Mr Teeling. Tangara ended victorious at the end of the night, with members from the senior team Francesca Daniel, Kaylie Hunter, Sophia Grady and Annaleis Montgomery from Year 11, chosen to represent KRB at the next level of competition at Scots College which will be held this evening.

IGNATIAN YOUTH LEADERSHIP CONFERENCE

Last week nine students from Barat Burn attended the Ignatian Youth Leadership Conference held at Stanwell Tops. The students were members of the Junior School Leadership Team who were invited to represent KRB. Students came together from schools across Australia to share their experiences of leadership and to learn ways to promote “everyday leaders”. The theme of the conference was to “Let your light shine”. The students participated in a number of workshops and completed team building challenges. Here are some of the students’ thoughts about the Conference:

“The Jesuit leadership camp was such an amazing experience, we were so inspired to make our school community a better place. I enjoyed the various “everyday leaders” that presented to us, like the founder of Blue Dragon-a charity that helps homeless and trafficked kids. I found Andrew Daddo’s talk to us very amusing (Andrew is a well-known author, radio and TV presenter). My favourite thing was doing the drama workshop where I danced to the song “Happy” By Pharrell Williams.” Louis Bartos (Cor Unum Leader)

“What I learnt from leadership camp, is that we have everyday leaders all around us. In fact, you could be one yourself. You don’t have to be famous or rich to be a good leader. What makes a good leader is what’s in their heart, how they treat others and how they are always looking for ways to help people; because badge or no badge, we are all leaders!” Tanami Penfold (School Captain)

“At the Ignatian Youth Conference I enjoyed many things such as the special guest speakers, but I enjoyed the outdoor activates the most. They were fun and very involving games which required lots of teamwork. There was one activity in particular, this game involved a tight rope slightly over the ground and a rope tied to a pole. The aim was to get to the other side with no one falling off, the rope wasn’t the longest so at a certain point u would have to walk over with only your team supporting you who are also on the tight rope hanging on. This game involves a lot of teamwork, cooperation and patience because if your teammate falls off the whole team would start all over again from the start. I enjoyed the camp a lot and was happy that I was given the opportunity to meet new people.” Kenny Ho (Cor Unum Leader)
10 HISTORY DEBATING 2014
Round 1 – KRB vs. SCEGGS Darlinghurst

The stage was set for a monumental opening clash. The ‘army’ of debaters were assembled, including ‘new guns’ Grace Maynard, Madeleine McDonald and Saskia Riedel alongside ‘old hands’ Megan Fitzgerald, Madeleine Maganas and Lara Parmenter. The topic of debate was a controversial one - That Australia’s involvement in WW1 was overrated. KRB was issued the task of formulating the affirmative argument. Despite this challenge, numerous arguments and supporting evidence were constructed, including various ‘counter-attacks’ in readiness for what we expected our opponents to attack with. With much ‘artillery’ ready to be fired, it was unfortunate that our opposition raised the white flag before Grace could deliver the opening shot.

Nevertheless, we now advance forward, seeking to ambush the boys from Newington in the second round. Stay tuned.

MOTHERS’ DAY CARD MAKERS IN THE LIBRARY

The Boarders In weekend on 2 and 3 May was a great success with the students enjoying the activities plus spending time with each other. On Friday night the Year 12 student leaders had organised a Trivia night in the Hughes Centre and the girls came dressed in the house colours of blue, red and green. Duchesne was the winning house but the competition was extremely close between Barat and Stuart. The senior boarding leaders of Maryanne McRedmond, Amelia McGuire, Amelia Crawford, Clarissa Duncan and Annabelle Noonan did a wonderful job of organising the evening and the questions were challenging and relevant to the students.

On Saturday the students rotated through the team building activities, making placements that we will use at formal dinner, participating in a Pilates class and also playing team building games. The students’ behaviour was outstanding throughout the whole weekend and they really enjoyed spending some relaxed time in the new dining space drinking hot chocolates and eating delicious food.
IPSHA BOYS RUGBY UNION TRIAL:
Emery Jolliffe and Joseph Ryan from Year 6 have been selected out of 180 boys to attend a CIS trial in June. This is an outstanding achievement, demonstrating a high level of skill by the boys. We wish Joseph and Emery the very best of luck and look forward to hearing how they go at the next stage: CIS.

JUNIOR 1ST TOUCH FOOTBALL EXHIBITION GAME AT THE ALLIANZ STADIUM:
On Friday 9 May, KRB’s Junior 1st Touch Football team were invited by the NRL and Sydney Roosters to play an exhibition game against Kambala during the half time period of Round 9 of the NRL: Sydney Rooster v Western Tigers at the Allianz Stadium.

As the NRL players ran out onto the field the girls are asked to form a guard of honour. The girls were very excited and given a brief tour of main tunnel and onto the sacred ground of the Allianz Football field. This was a great experience, motivating our girls for their game against Kambala at half time.

From the blow of whistle our girls held their own, forming a stronger defensive line and regaining ball possession and made good yards and field position in attack with a final score of 0-0. Congratulations to the Junior 1st team on their efforts and a great spectacle for spectators to watch.

FROM THE DEVELOPMENT OFFICE

Many thanks for the wonderful support in your attendance at the Mother Child Mass and Afternoon Tea and the Mother Daughter Lunch last weekend. It was a great opportunity to celebrate the significance of mothers. Sincere thanks as well to guest speaker Marjorie Mpundu for her inspirational words, which touched everyone present.

We look forward to welcoming you at the Networking Evening on Art and Design on Wednesday 4 June. An invitation is included with the KRB News. This is a good opportunity for current students interested in these areas, or any student currently studying one of these fields, to gain first hand information and the possibility of work experience. Please encourage anyone interested to come.

Our second Principal’s Welcome Dinner will be held on Tuesday 10 June and we look forward to welcoming new families on this occasion.

The annual KRB Rugby Lunch will be held at Doltone House, Elizabeth St Sydney on Friday 8 August. Well known sporting personality Stephanie Brantz, will MC the function, and speakers include Wallaby great Matt Burke and Rugby League legend Luke Ricketson.

If you are interested in sponsoring the Rugby Lunch, we have three sponsorship packages available:

- Platinum – $10,000
- Gold – $5,000
- Silver – $2,500

All funds from the Lunch are directed to the KRB Bursary Fund. Please contact me if you are interested in sponsorship.
