FROM THE PRINCIPAL

Dear Parents, Students and Staff,

Stepping up to the Challenge of Leadership

In 2010, when our current Year 11 students were in Year 7, Sister Kathleen Conan rscj, the current Superior General of the Society of the Sacred Heart, challenged our students to think about the following:

“What are your dreams for our world? What do you hope for? For you, your friends, for others around the world, for your children and, more importantly, what are you learning and experiencing that will help you to make flesh these dreams and what more do you want to learn?”

I reflected on her challenge, when addressing Year 11 students as part of their 2014–2015 Leadership election process. I asked the students to utilise the 8 C’s of Leadership:

- **Commitment** – having a vision for making a difference and making KRB a better place for everyone; it’s also about showing a strong commitment to the five Sacred Heart Goals
- **Confidence** – knowing yourself; your strength and weaknesses, having a healthy self-esteem and realising that in order to improve yourself, you need to have a ‘growth mindset’
- **Compassion** – supporting each other and always try to see the other person’s point of view. Being empathetic
- **Collaboration** – being open to the ideas of others, appreciating the talents and gifts of others and being warm and approachable
- **Conscience** – having integrity and always being honest with yourself and others. Always being humble and knowing that your success is often supported by the efforts of your peers
- **Courage** – having a strong sense of justice and being able to stand up for what you believe in. Being able to make difficult decisions
- **Community** – connecting with others and contributing to the community of KRB. Get involved for the good of all
- **Communication** – if you want change to come about, your message needs to be clear. A good leader is a strong communicator and this also means being professional, tactful and discreet.

In the past few weeks, as part of the Leadership election process, our current Year 11 students were required to deliver a short speech to their peers on leadership and their ability to lead the school community in terms of the Sacred Heart Goals.

There were 51 applications from students who wanted to be considered for a position on the Student Leadership Committee. The students took diverse approaches to the task. Some mused that the strength of Year 11 lies not in individual achievements, but in the “collaborative we” of the year, and that leadership can be found “on the sideline” as much as centre stage.

TWEET OF THE WEEK

Happy Sacred Heart Day!! #corunum #SacredHeart
The students are to be congratulated on the quality of their speeches and for the courage to speak in front of their peers and step outside their comfort zone. The first stage of the voting process will be a short list of nominees based on the selection criteria.

Our current head girl, Georgie Ringler says that the leadership process at KRB, “allows you to overcome this fear of not being able to meet other people’s expectations and fulfil your duties, but also allows you to realise that you can enjoy these responsibilities that are also privileges.”

At KRB we often see examples of community, compassion and examples of others’ reaching out when people are in need of support. At last week’s Assembly, I spoke to the students about my recent experiences in hospital and my rehabilitation. I told them about how in the aftermath of a challenging experience, it is so important to remain positive because there is someone who may be in a worse position than you. During my own experience, the kindness and compassion of others really helped me during my recovery. It is amazing what a kind word of encouragement can do to lift one’s spirits and our students often demonstrate this aspect in their dealings with each other in our KR B community.

I felt that these points are important to relay also to students because I believe they are great traits of a leader – to be compassionate, to be kind, to be positive and to motivate not only yourself but others.

Month of the Sacred Heart

I am always very proud of the level of community spirit exhibited on Sacred Heart Day, and today was no exception. As a community, the School congregated in the MTC for Mass. Students and staff also took part in performing in a “lip-synching” talent quest. Lunch and fun activities were held on the Fernon Fields with parents helping with the BBQ. Then the whole school learned and performed a special Sacred Heart Day Dance which will be shared with our sister schools all around the world.

The focus of the day was about enacting the ‘Cor Unum’ spirit and raising much needed funds for our college in Mumbai, India which provides education to women with intellectual disabilities. Monies are also raised for our co-ed school in central India providing children with educational opportunities. I thank all students, staff and families who were able to make this goal a reality.

Another very special occasion was the Procession of the Lanterns traditionally a very significant occasion for our boarders, particularly for those in Year 12 who lead the Procession.

We were also privileged during the week to celebrate cultural diversity at KRB through the Cultural Diversity Assembly on Wednesday. The Assembly provided wonderful insight into the different cultures which make up the KRB community. On Thursday, students also experienced firsthand the diversity of cultures through the variety of food on offer at the International Food Stalls.

STAFF NEWS

I would like to thank Louise Morton for being with us this term and covering the classes of Margaret Ferguson during her long service leave. I also acknowledge the work this term of Mark Stubley for acting as Head of Music this term and Tim Bloomfield for assisting with the Orchestra during Margaret’s absence.

Our five GAP students conclude their time with us and we thank Eszter Gulyas, Lucy Harold, Rebecca Haban, Maria Langer and Emma Thorpe for being part of our school community for the past twelve months. We wish them well as they embark on their studies when they return home.

I would also like to take the opportunity of wishing Taryn Barber all the best for her maternity leave from next term and also to David Thompson and Margaret Swan who will be taking long service leave for Term 3.

YEAR 6 EXTENSION ENGLISH EXCURSION TO THE JEWISH MUSEUM

On 2 June, Ms Latham’s English Class visited The Jewish Museum. When we arrived, we were taken into a room and a Czechoslovakian man named Peter, who is a Jewish Holocaust survivor, talked to us about his story during the time of World War II. Peter was born in 1930 and is the very old age of 84! He explained the various miracles that happened for him and his family, he told us that it was impossible to live during the Holocaust without a miracle coming your way. After listening to Peter’s amazing and terribly sad story, our tour guide directed us to the Anne Frank Exhibition and she explained Anne Frank’s Diary and her life. During our English lessons we had been watching the TV series The Diary of Anne Frank. The exhibition had an interactive timeline broken into two layers: the top layer had the events happening in Europe from 1913 – 1950 and the bottom layer showed us what was happening in Anne Frank family’s lives at the same time. After that she showed us a diagram of the Secret Annexe (Anne’s hiding place) and the conditions they had to live in. It was fascinating to see the model of her house and to see a replica of her diary. Our excursion to the Jewish Museum was very informative and definitely beneficial towards extending our knowledge of the terrible events that occurred for Jewish people during World War II.

STUDENT EXCHANGE

The student exchange program brings together the unique character and history of each Sacred Heart School and provides student with a realisation that we form part of a world-wide family of Sacred Heart Schools. It provides the opportunity for student to see how the 5 goals of Sacred Heart education are shared and implemented. At KRB we currently have a number of exchange students visiting us from a number of Sacred Heart schools. We welcome the following students into the KRB community, we hope they have an enriching and enjoyable time with us over the coming weeks.

Convent of the Sacred Heart 91st New York, New York
Ayanna Coleman (KRB host Tara Ritchie)

Convent of the Sacred Heart, Greenwich, Connecticut
• Cynthia Thomas (KRB host Ruby Harrison)

Student exchange at KRB provides a positive experience in developing long-lasting and significant cross-cultural relationship and provides an opportunity for students to advance the Sacred Heart goals of this year – Personal Growth in an Atmosphere of Wise Freedom.

ENVIRONMENT MESSAGE

Grace Hopkins and I are the Kincoppal-Rose Bay Senior School Environment Captains for 2014 and, as a student body, we have recently adopted an elephant at Taronga Zoo. This year when taking upon Leadership we thought it was important to “raise our voices” and the School’s awareness of environmental issues within our community and the world. While reflecting on the Sacred Heart goal “a Social Awareness which impels to Action”, Grace and I realised that, as custodians of this world, it is important to sustain the wellbeing of the earth. This is important for all its creatures- especially those who don’t have a voice on how their environment is changing. Through adopting an elephant as a School we aim to raise awareness while also helping to protect the endangered Asian Elephant. The challenging reality is that our world is suffering from the impact that human beings are making through raising carbon omissions. The solution is not simple, however lies with us – so as a community, “let’s raise our voices and not the sea level” in celebration for World Environment Day – 5 June 2014.

PUBLIC SPEAKING

by Isabella Monardo

As a team, Georgia Hinds and I debated three United Nations resolutions as the Republic of Korea: The question of the Middle East Nuclear Crisis, the question of Domestic Military Expenditure and the question of Organ Trade. We managed to propose two out of the three resolutions and they both passed in the mock Security Council. We also debated on amendments and managed to convince the other teams to support them. We both had so much fun and it was a great experience!
SACRED HEART DAY

NORTH WEST EXPO, COONABARABRAN

On 30 May to 3 June Kincoppal–Rose Bay was represented by six students/riders at the annual North West Equestrian expo in Coonabarabran. The Expo in its 22nd year running, continues to become more popular each year ranging with students from public and private schools across NSW with this year having a record number of 690 riders and 1000 horses, making it a very large and tough competition. Battling through the cold and muddy weather of Coonabarabran, Kincoppal-Rose Bay achieved fantastic results with all team members placing in numerous events. This is an exceptional effort considering the amount of competition.

- Vanessa Smith Year 11 (equestrian captain): 4th polo crosse finals (out of 87 teams) and 12th in the D grade One day event
- Heidi Noonan Year 11 (equestrian captain): 4th polo crosse finals (out of 87 teams) and 12th in the C grade One day event
- Emma Hunter Year 9: 4th in the polo crosse finals (out of 87 teams)

CIS BOYS RUGBY UNION TEAM

In early May, Emery Jolliffe and Joseph Ryan from Year 6 attended the IPSHA Boys Rugby Union trial. Each IPSHA school was eligible to nominate a maximum of seven of their best players to attend the trial. Out of a 180 boys that attended the trial, both Emery and Joseph made the final 50 players to attend the CIS trial at Bressington Park, Homebush on Monday 2 June.

At the CIS trials, approximately 80 boys from various school associations attended, which ran for over four hours. After an intense day of skills and games, Emery and Joseph were selected in the final trial squad of 35 players to attend the final trial the following day.

At the final CIS trial the boys played a number of games – playing a possibles vs probables format over a two hour period. After a tough trialing progress, and a very high standard of players, Joseph Ryan was selected in the CIS team. Joseph will now represent the NSWCIS Boys Rugby Union team and compete at the NSWPSSA Championships in Kiama from Tuesday 19th to Thursday 21st August. This is an outstanding achievement and we look forward to hearing how Joseph and the CIS team go at the NSWPSSA Championships in August.

Congratulations to both Emery and Joseph on their level of achievement. Well done boys!

Networking Evening – Art and Design

We had a wonderful attendance at the fifth Networking Evening on Art and Design held on Wednesday 4 June. Speakers included:

- Paulette Arends (parent) – Interior Designer
- Fabio Fanuli (parent) – Retailer, Company Director
- Phoebe Gazal (parent, KRB’88) – Graphic Designer

- Rachel Gilbert – Fashion Designer
- Momoko Hatano – Jewellery Designer
- Margie McFadyen – Interior Designer, Exhibitor
- Ali Yeldham (Parent) – Director, Art House Gallery
- Joshua Yeldham – Artist

It was a great opportunity for current students interested in these areas and past students who are currently studying one of these fields, to gain first hand information concerning these professions. The advice given by the panel focused on:

- Use your creativity to develop different skills and take new paths as you progress
- While technology and use of social media, such as Instagram and Facebook are important in all these professions, so are skills in drawing and writing
- Take advantage of work experience to gain insights into the professions
- Maintain your authenticity, be resilient and push yourself to achieve to your best

We have had a number of positive comments from the evening:

“Last night ticked so many boxes for my daughter. Thank you so much. She was so delighted and now very focused on what she would like to do.”

“There was such an interesting and impressive group of designers and artists and it was great for me to hear about all of their experiences. I also feel the networking nights are such a great initiative by KRB.”

We express our gratitude to all speakers for supporting this event.
