FROM THE PRINCIPAL

Dear Parents, Students and Staff,

Today marks one week since the death of Sister Phil Tiernan. Much has happened within the School in this time. I am deeply touched by all the correspondence I am receiving from both the KRB and wider community – past parents, past students, schools and principals nationwide and as well from overseas. It shows how greatly Phil was loved by many people all over the world. It is also comforting to know that we all belong to a very strong community and as such we offer much support to each other during difficult times.

Celebrating the Life of Sister Tiernan

I am very proud of all our students who have shown their strength, their compassion and their support of each other in the past week. They have been dignified, respectful and have shown much maturity, and at the same time have expressed their care and memories of Sister Tiernan.

A large number of students and families attended the Parish Mass for the life of Sister Tiernan, celebrated by Monsignor Tony Doherty at St Mary Magdelene Parish, Rose Bay, last Saturday. They were joined by the Sisters of the Sacred Heart, past students, staff and past parents. On Sunday we reflected on Sister Tiernan’s wonderful legacy of love and care at the ELC, Year 5 and 6 Family Mass in the KRB Chapel. A number of our students, staff, the Board Chair and members of the Leadership Team, also joined thousands of others at the Mass in St Mary’s Cathedral, held last Sunday, to mourn for the loss of all victims of the plane crash.

Rosie Carnegie, who attended this Mass at wrote in her reflection to Sister Tiernan, “Your wisdom will walk with us for the rest of our lives.”

We have set up the School Chapel as a place of remembrance and reflection for our community. The School has received beautiful flowers in Sister Phil’s memory and these have been placed on tables outside the Chapel. Many have signed the Memory Book for Phil and have recorded their special reflections about her. Students have in their own ways reflected on Sister Phil’s passing - our Japanese visitors from overseas made a train of paper cranes in Phil’s honour and Kindy students created some beautiful cards for her, and after visiting the Chapel, waved at her picture and said “Bye Sr Phil” as they walked past.

I attended a special Mass to celebrate Sister Phil’s life this morning at Our Lady of the Sacred Heart Parish, Randwick, with some members of the School Board, a small number of staff, and students. This Mass was organised by the Sisters of the Sacred Heart and Phil’s family. It was a very moving tribute to her life.

KRB will hold a Mass to celebrate Phil’s life on Wednesday 13 August at 10.30am in the Maureen Tudehope Centre. Families, past parents, students and staff are all invited to attend.

Reflection

‘As Religious of the Sacred Heart whose mission is to discover and reveal the love of His heart, love has fashioned our identity; it is our desire and our delight.’

Eulogy at the Mass of Thanksgiving for the Life of Sr Philomene Tiernan rscj

25 July 2014
Despite our deep sadness at the loss of Sister Tiernan, it has been important for us as a School to continue our ongoing activities, with some significant events.

**Student Leadership Inauguration**

The Class of 2014/2015 was inducted as leaders at the Student Leadership Inauguration Ceremony held on Wednesday 23 July.

I congratulated our Year 12 Class of 2014 in their outstanding leadership of the School over the past year. I also spoke to our new School Leaders, our current Year 11 class, about how important it was for them as leaders to show compassion. They only had to look to Sister Tiernan as a great role model in that respect. I spoke of her as “a wise, compassionate, joyful and gracious woman who prayed and cared about us all - a woman who went out of her way to support students in difficulty. She was always affirming others. She has certainly influenced generations of students here at KRB.”

We welcomed former Head Girl Rachel Hudson (KRB ‘08), who enlightened the students with her speech on the fundamental quality that makes a good leader – passion. It was this attribute that Rachel saw in all her predecessors from her time as a Year 7 student, until she herself was elected as Head Girl. Rachel said, “Whatever you do in school and in life, do it with passion. Passion is contagious and will always inspire others.”

Our new Head Girl Emily Shaw inspired us as she addressed the audience in the Edwina Taylor Clark Auditorium. Emily told us that the attributes of a great leader were the same attributes as a good friend – accepting, encouraging, respectful and approachable. Emily said that the positivity and solidarity of her peers in Year 11 would make them all great leaders.

**Year 12 Trial HSC Exams**

Our Year 12 students begin their trials on Monday. They have worked hard and have supported each other as a group. These are important exams and the final ones before the students begin their HSC exams in October. We will keep them in our prayers and wish them well.

Kind regards,

Hilary Johnston-Croke
Principal

IN MEMORIAM – SISTER PHILOMENE TIERNAN RSCJ

Charlotte McAloon, Year 9

I was overcome with a sense of pride and humbled by the way the whole school and the Sisters of the Sacred Heart came together at Sister Phil’s passing, supporting one another through this horrific and unbelievable event, allowing everyone the dignity to share what Sister Phil meant to them, all the while never losing their sight in God or the phenomenal person sister Phil was and all she did for the sacred heart community.

As I was walking through the city I noticed that a memorial had been created at the foot of the statue of St Mary of The Cross at St Mary’s Cathedral to honour all the souls lost in this terrible event. As I stood and took it in, remarkable happened; three complete strangers came one after the other and placed a flower on the memorial saying a silent prayer and even turning to share their memories of their loved ones with each other. I thought it was strange at first that three complete strangers would be so intimate with one another and then I fully comprehended the significance of what I was witnessing. Because you see I was witnessing what it is to be Catholic not just part of the Sacred Heart community but to be part of the Catholic community, to know that no matter how bad it gets and even in times of anguish and heart ache, the Sacred Heart of God will always be there for us all.

Tanami Penfold, Year 6

The best thing we can do to honour Sr Phil’s memory is to do something with our lives to make the world better so that good will triumph over evil. Sister Phil was the best example I can think of someone living a good life and spreading love. I know God will be proud of the magnificent life you have lived in his name. And I know he would not have hoped for more.

Even though her spirit is in Heaven, I know that her love is still here. That love will live on in all of us forever. No soldier or terrorist can take that from us.

I want her to know this.”

Grace Gerathy & Alice Hamblin, Year 11

There are no words to describe the pain and heartache Kincoppal—Rose Bay has faced over recent days. The news of one of the greatest mentors in our community being lost in such tragedy has filled our hearts with inexpressible grief. To the girls of Kincoppal—Rose Bay, Sister Phil’s positive influence went far beyond our expectations. Her significant impact on all past and present students is one of the greatest aspects of our KRB experience.

Every girl will strive to emulate and cherish her vitality for the rest of their lives. The passion and love she displayed towards Kincoppal—Rose Bay and the wider community was admired daily by young and old alike. Sister Phil was so much more than a teacher and spiritual leader at Kincoppal—Rose Bay. To many of us she was a mother, a nurturer and she displayed values of the utmost respect.

Her dedication and loyalty towards the School, especially those within the boarding house, was shown through her willing commitment to help and mentor all those who reached out to her.

If any member of the community was ever experiencing a rough day, one could always rely on her strength and perseverence, filtered by her kind words of wisdom, to lift them from their times of distress.

She was a woman with a great history, always sharing stories with the boarders on their annual Monday night formal dinners. Sister Phil had the boarders in total awe as to how she could always sift the greatest goodness out of the worst possible experiences she was faced with. It is with this in mind, that we farewell our beloved Sister Phil.

Rosie Carnegie, Year 11

“To a woman who was always there for every one of us. You always knew how to light us all up, even when we were at our worst. Thank you for all the love and support you have given to us over the years. You are truly the best boarding grandmother anyone could ever wish for. Your beautiful presence instantly made everyone feel at home and at peace.

We know that even now you are gone you will always be watching over us and supporting us in every way possible. You will never be forgotten, you will always live on in our hearts and minds.

Your wisdom will walk with us for the rest of our lives.

All our love and may you rest in peace.”

Mimi Becker, Class of 2011

“To know Sister Phil’s memory will live on at KRB through the Sister Philomene Tiernan Award for Boarding is very touching and connects personally with me. As the inaugural recipient in 2010 I am completely honoured to have shared a direct connection and understanding of the Sacred Heart values with Sister Phil.

Hearing the news of Sister Philomene Tiernan’s tragic passing came as a shock to me, just like anybody.

I had turned up to work at the Channel Nine Newsroom in Sydney having already checked my twitter feed to read the grave fate of MH17 – knowing I had a huge momentous news day ahead of me, one that will stay with me forever.

After around 7 hours of working on the news story, the word came in of the passing of a ‘Sister Philomene’ from Kincoppal—Rose Bay. The story had just become real – this was not just the first known victim from NSW, but also a softly spoken woman, full of grace and generosity.

Sister Philomene shared each individual student’s journey as a boarder at Kincoppal—Rose Bay, mentoring and sharing her lived knowledge and wisdom. Sister Philomene had the gift of connecting. She offered endless love and support always reaching out as a softly-spoken woman, full of grace and generosity.

Her impact on all students past and present is significant and one that lives on. We all continue to live through Sister Phil’s grace in our hearts and minds.

In honoring her love and care we remember the deep influence Sister Philomene has had on many of our lives and others during her service to the Sacred Heart community around the world.

It is with this that we farewell our beloved Sister Philomene.

Cor Unum — many hearts mourning as one.”

From Our Sister School in Tokyo

The 25 visiting students from Seishin, the Sacred Heart School in Tokyo, lead by Ms Nahoko Tanbe and Ms Saori Miyazaki, visited KRB on 24 July. They folded tiny cranes in memory of Sr Phil. This is customary in Japan when a person is ill, needs encouragement, or has passed away. Each girl contributed in the folding of the minute and precise cranes, all the while keeping Sr Phil in their thoughts. (See picture next page)

SUCCESS IN PUBLIC SPEAKING

For the second consecutive year, Georgia Hinds in Year 9 has won the State Final of the Rostrum Public Speaking Competition. At this prestigious event which took place at Parliament House on 21 June, she won back the trophy, was awarded a prize of $200 and will now have an expenses paid trip to Adelaide to compete in the National Finals on 25 to 27 July. Her prepared speech was on the topic “Money Talks” proposing that public speaking should be a more fundamental part of the curriculum. Her impromptu speech was on the topic “This year will be different” focusing on the sibling rivalry between Georgia and her brother. We wish Georgia all the best with her preparation and very good luck for the exciting national stage.

Isabella Monardo, also of Year 9, has had recent success at the Sydney Eisteddfod. She entered three competitions and did very well against many older students, achieving two medals and a highly commended certificate. Isabella was placed second in News Reading and Radio Announcing, third in Impromptu Speech and received a “Highly Commended” certificate for the Public Speaking Prepared Speech segment.

YEAR 5 BATHURST EXCURSION 2014

On Wednesday 16 May, Year 5 travelled to Bathurst for a two day excursion to complement and investigate the discovery of gold in Australia as part of our Integrated Unit. There were many highlights including our thrilling ride on the new scenic railway in the Blue Mountains, the historical re-enactment of life in the early convict days on our visit to the township of Hartley and our day spent exploring the life and times on a goldfield. At the Bathurst Goldfields we panned for gold, cooked damper, made mud bricks and played games from the past such as quoits using horseshoes. The first day ended with a movie night where the children were served popcorn and hot chocolate by the teachers.

The students were able to collate a great deal of valuable information using their iPads for both ‘on the spot’ photos and recording daily notes during allocated reflection sessions, all of which will be used in their future research project for HSIE.

The School received many compliments on the excellent behaviour of the students. It was a rewarding and extremely beneficial time spent away from school. Year 5 wish to thank Mrs Barkell and Mrs Seery for giving up their time to attend the camp.

MS READATHON

Kincoppal-Rose Bay Junior School was invited to host the Australia-wide webcast for the launch of this year’s MS Readathon. The webcast enabled all schools to be informed about the purpose of the Readathon, and at the same time be inspired to join their school communities to read for a very worthy cause.

Our School has had a long association with the Readathon and the ambassador for the Multiple Sclerosis Society, Stephen Papadopoulos.

Stephen Papadopoulos spoke to students about Multiple Sclerosis and how the Readathon assists research and management of the disease. Students were invited to briefly name favourite authors, books and encourage participation in the 2014 MS Readathon.

Students were asked to bring a favourite book to hold up at the conclusion of the webcast. Parents are welcome to attend.

ACHIEVEMENT IN DRAMA

Congratulations to Annaleis Montgomery in Year 11, who successfully auditioned for The Scots College Longform Improvisation show to be held in November.

Annaleis is a senior Drama student, who has also represented Kincoppal–Rose Bay at the Theatresports Schools Challenge earlier in the year.
