FROM THE PRINCIPAL

Dear KRB Community,

One of the great strengths of Kincoppal–Rose Bay is our strong and vibrant community. In the past two weeks there have been a number of ways we have celebrated as a community. These include the Night of Song involving our current and past music students, the New Parents Welcome Dinner and the KRB Networking Breakfast this morning, attended by current and past students and parents. As well we have held events in both the Junior and Senior School to celebrate the important role of mothers.

Celebrating our Community

Mother’s Day 2015

Two special events last week gave us the opportunity to come together to celebrate the significance that mothers play in our lives.

• The Junior School Mother Child Mass and Afternoon Tea was a celebration of the gifts of mothers and included a blessing of mothers with new babies. This was followed by Afternoon Tea on the Fernon Fields.

• The Senior School Mother Daughter Lunch held the next day, involved mothers from the city, country NSW and overseas coming together to celebrate with their daughters. We were delighted to have Lyndall Stoyles (KRB 1987) as our guest speaker. Lyndall is mother to Zoe who will be joining KRB in the future. Lyndall is currently the Group General Counsel & Company Secretary for ASCIANO Ltd. ASCIANO owns Pacific National, the largest freight rail operator in Australia and Patrick, the largest port and logistics company in Australia and New Zealand. Lyndall gave an inspiring speech in which she described some of her professional and personal journey and the opportunities and challenges she has faced. She emphasised the importance of education and the difference an education had made to her life. Lyndall pointed out the many challenges within her role, particularly in relation to the need for significant cultural change in the Ports. Social Justice has been a guiding principle in her life and she has spent time working in East Timor and for a Children’s Cancer charity. She also emphasised the importance of a work life balance and the changes that having a child has made to her life. She spoke of her mother as being an inspiring woman who faced all challenges with a positive outlook with the mantra – You can’t plan for life. Lyndall certainly inspired both our students and mothers.

New Parents’ Welcome Dinner

On Monday evening, I had the pleasure of welcoming new parents to the school with our second Principal’s Welcome dinner at KRB this semester. This dinner was an opportunity for parents to meet with Bryan Curtin (Board Chair), Mary-Lou Jarvis, Board Member, the Deputy Principal, Director of Boarding, Director of Development, Head of Admissions and myself and hear about the vision of Sacred Heart education and how it is put into practice every day at KRB. This dinner
was attended by parents from our Sophie’s Cottage Program to Year 10. Many parents commented on how well their children have settled into KRB.

Registration and Accreditation Process

Last week the Team of Inspectors from the Board of Studies and Teaching & Educational Standards NSW (BOSTES) spent the day at KRB for the final stage of our Registration and Accreditation Process for 2015.

I am pleased to say that KRB is fully compliant with all the areas for our Registration and Accreditation. BOSTES will be recommending Registration and Accreditation for the next five years to the Registration Committee of BOSTES which meets in June.

They commended us in particular for our Curriculum and our Policies and Procedures. They were also very impressed with the teaching and learning they saw, our Campus facilities and the way in which the Boarding School operates. They thought KRB was an outstanding school.

I thank all staff who have contributed to this long and very important compliance process.

Student Achievement

Music at KRB

On Monday 4 May students from Years 3–12 showcased their varied talents and expertise in the area of vocal music at the Night of Song. All three school choirs, Junior, Senior and Chamber – presented a selection of works from their Term 1 programs.

Highlights included the Junior Choir’s energetic and accomplished part singing, the Chamber Choir’s presentation of Jesu, Joy of Mans Desiring by Bach and the Senior Choir’s performance of We Are Family. The soloists from Barat Burn and the Senior School were polished and varied in their choice of repertoire. Our special guest performer and alumna Mrs Laura McCoy (Davis, KRB 2004) sang a moving rendition of Schönberg’s On My Own from Les Misérables. The evening was a wonderful testimony to the progression from junior to senior and beyond which is the focus of all choral programs at this school, as well as the work of our singing teachers and Choir Director Mark Stubley. When I walk around the corridors of KRB and I hear singing, it certainly gives me great joy.

Our chamber ensemble of Monica Jones, Saskia Riedel, Ruby Green, Lucy Macarthur Onslow and Lucy Roberts-Lovell also performed at last week’s “Women for World” luncheon in aid of Caritas, celebrating women’s solidarity and the ways in which lives can be changed by people working together. The event was held at The Sydney Opera House to raise awareness and funds to help women living in poverty and oppression across the globe and was organised by KRB mothers Alison Green, Michelle Feron and Nicole Murphy.

Barat Burn Leaders

Twelve Year Six student leaders attended the Ignatian Leadership Conference in Adanac, Yarra Valley, Victoria last week. The conference, also attended by KRB’s Head of Junior School Michelle Chaplin and Kathryn McClymont, was designed to inspire students to become kind and loving leaders who show compassion and strength.

Principal’s Merit Awards

At last week’s assembly, we presented the Principal’s Merit Awards to students who have shown outstanding effort and academic achievement. A list of these students can be found on Page 3.

Lucy Edwards was also awarded the Liz Miller Shield for Fastest Runner in the School at this Assembly for the KRB Senior School Cross Country Competition.

Community

I was delighted to meet many current and past parents and past students at the KRB Networking Breakfast held this morning at the Queen Victoria Tea Rooms. Facilitator Mary Dawson, past parent and a partner with Clayton Utz coordinated a panel of outstanding speakers who reflected on their professional and personal journeys – Susan Panuccio who is mother to Grace in Year 3 and the Chief Financial Officer at News Corporation, Virginia Briggs, partner at Minter Ellison and mother of Philomena (Year 5) and Cathy Kovacs Head of Equities BT Financial Group and mother of Sophie (Year 5). The common themes running through their reflections included:

- Take yourself out of your comfort zone and take opportunities
- Be brave and step out on the ledge
- Apply for positions you are not sure you will be able to do and learn on the job
- Manage expectations
- Don’t be afraid to ask for what you need
- Build a network of supporters
- Develop your confidence
- Keep your tools and skills sharpened.

It was very inspiring to hear from these women. Many of these themes are what we talk about with the students in the Senior School as we continually try to develop their confidence and resilience.

I look forward to welcoming our Year 6, 7 and 8 students and their families to our Family Mass in the Chapel on Sunday at 10am.

With Regards,

Hilary Johnston-Croke, Principal
PRINCIPAL’S MERIT AWARDS FOR TERM 1 2015

In Terms 1 and 3, Principal’s Merit Certificates are awarded to students in Years 7-12 for outstanding effort and achievement and teachers are asked to nominate approximately three students in their class who fulfill the following criteria:

- Applied themselves consistently to their studies across the term
- Achieved to their ability and this has been demonstrated in a particular assessment task or class activity
- Contributed positively to the learning environment for that class

The following students received a Principal’s Merit Award for Term 1, 2015 and were presented with their certificate at assembly on Wednesday May 6:

Congratulations to all students who were nominated for a Principal’s Merit Award.
YEAR SIX STUDENT LEADERSHIP IGNATIAN CONFERENCE

Last week twelve students from the Year Six Student Leadership team along with Mrs Chaplin, Head of Junior School and Mrs McClymont, Year 6 class teacher attended the Ignatian Leadership Conference in Adanac, Yarra Valley, Victoria. The students participated in many team building activities and listened to some inspirational speakers who shared their experiences and stories of leadership with the students from the participating schools.

The students have written some brief reports about the activities and the speakers which they would like to share.

Machines
Alice and Eleanor

One of our favourite team building activities was building our machines with leaders from other schools such as Xavier College, Sacré Cœur, Saint Ignatius College, Saint Aloysius and Riverview College. At first, the task of building an elevator or the self-named ‘ball fall’ seemed daunting and close to impossible. But once we figured out who the leader and vice leader was, our task became much simpler since we had someone we could ask. Even though it took our teams a while to get the hang of building, it all paid off in the end when we combined everyone’s creations to make one big machine. This activity really showed us the importance of teamwork and having a leader and it was an experience we will never forget.

School Captains Talk
Harriet

The school captains from Sacré Cœur and Xavier College came to talk to us about their personal leadership backgrounds and experiences and their journey to becoming a leader. They spoke mainly about how different leaders have different qualities and how Ignatian leaders are God Centred, spiritual, generous, compassionate, responsible, just, grateful, respectful, committed, helpful, loving, reflective, are team members and cultivators of virtue. They explained that you don’t have to have a badge to be recognised constantly as a leader and that as you mature and get older your leadership qualities develop and become more noticeable. They told us that at our age they never would have thought they would become a leader and that leadership is something that is developed and that you must persevere with and be committed to it.

Jesuit Mission and Father Jeremy Clarke
Coco F and Rosie

Father Jeremy spoke to us about Leadership and the Jesuit Mission. Every year his organisation goes around the world arranging funding for poor people. They send food over to poor countries and children and they focus on feeding them for their immediate needs but also helping them to cultivate food for their future. They give students food so they can concentrate in tests. Father Jeremy is very kind to do this. If the students didn’t have enough food they wouldn’t be able to go to college and if they couldn’t go to college then that means they wouldn’t be able to get a job and the poverty cycle would continue. So that is a very important thing that Father Jeremy is doing – trying to break the poverty cycle for real!

Father Jeremy also talked about leadership skills and God’s Kingdom. He told us to be kind and loving towards other people. He told us to be like the Good Samaritan who helped a stranger. These things he told us were very important, because you need some of these qualities to be a good and confident leader. Father Jeremy encouraged us to be helpful to all no matter race, gender, or beliefs. Father Jeremy combined both of the topics, Jesuit mission and leadership, striving for the Magis into the one. Having a Mission / true worthwhile purpose has become a much more important thing to me having had this experience at the leadership conference.

Murrindindi
Olivia and Michaela

Murrindindi was a motivational speaker who came to talk to us. He was the leader of an Aboriginal tribe and was 70 years old. However, he believes that he is only 35, because he only started living when he was 35. The first 35 years of his life he couldn’t read, write or speak English well. His teachers would put him down and call him a half-caste. At 18 years old he married a woman and was still called a half-caste. He used to cry in the bathroom when this happened. This made us feel very emotional. They divorced and Murrindindi started driving a disabled bus. On this bus, for the first time in his life, Murrindindi was treated with respect. This is when he started living.

Several years later he married, learnt to read and write and had three kids. Murrindindi was contacted later in his life to become the leader of his family tribe. He inspired all of us with his powerful words, and taught us that just because you are having a hard time, doesn’t mean you have to give up. Murrindindi believes that all his setback and heartache has made him who he is today. I learnt to never judge someone because they may be in an emotional state, and to lead with respect because that is how Murrindindi has become the excellent leader that he is today.

This is what his mum taught him to do, to be proud of who you are and don’t disrespect your culture because you are going to end up regretting it. Look where Murrindindi is now and he would not be there without his family.

Mixing with the other Ignatian Schools
Patrick

I had a really good time at the leadership camp. I made new friends from Xavier College and the activities were great. We played a game called GAGA which requires lots of energy and quick reflexes. We did Archery, Dodgeball and Cage Soccer amongst the more serious sessions. I learnt lots about leadership, teamwork and how important a leader really is in a group. I was also fortunate because I could work with boys and girls as I was used to it from here at KRB, whereas some boys found this a bit difficult at first as they were not used to working with girls. I had lots of fun at the camp and I’ll never forget it.
Speed Ball
Coco R and Cleo

Speed ball is one of the games we played when we co-operated with a mix of different schools. When playing speed ball your group is given one coloured ball. The aim of the game is to get the ball touched by everyone’s hands in your group, in record times. When we did this activity our group had to elect a leader and co-leaders to lead the group. Without a leader not everyone would have shared ideas and we would not have been able to achieve a record time. Our group tried many different strategies for e.g. passing the ball in a circle, but every time we tried this it lead us to the time of 7 seconds. So then our leader suggested an idea to lead us to a second time. To complete this we all stacked our hands on top of each and then let go of the ball, so that everyone had touched it. In the end our team ended up coming 1st with the time of 1 second with all the help of our leader and co-operation.

Leadership Session from Ray
Millie and Sophia

On the second day at the leadership camp, we had a man who came and taught us about leadership through games. He is a volunteer firefighter who teaches children about leadership in his spare time. We started out the day by playing group juggle and speed ball. These games involved and taught us about cooperation and teamwork. He then discussed that we need to choose a leader, this is because you can get places without a leader but you can get to the goal faster with one.

The Contraption/Machine session taught us that each team member is just as important as the leader. He then taught us the different ways to lead a group and that some people prefer different ways, two of the ways are: being out the front of the group using a loud voice and leading that way, or being at the back helping your teammates with what they are doing and letting others talk. So overall the man taught us many different types of leadership and ways to be one. We have learnt so much with his and the camps’ help.

THEATRESPORTS SCHOOLS’ CHALLENGE
Madeleine Maganas, Elena Coluzzi-Farrell, Gabrielle James-Bennett and Jemimah Vee (all Year 11) came in 5th place at the Theatresports Schools’ Challenge competition at Scots on Tuesday 5 May.

The competition from all 8 schools was very strong this year, and it really came down to the final round of games to determine the final ranking. KRB students only just missed out on progressing to the Semi-Finals; the first 4 placing’s of the night going through.

CARITAS EVENT

Our Chamber Strings Ensemble – Monica Jones, Saskia Riedel, Ruby Green, Lucy Macarthur Onslow and Lucy Roberts-Lovell; were once again invited to play while guests assembled for this year’s Caritas, “Women for the World” event on Thursday 7 May. The event was held at the Ivy Ballroom and many current and former KRB families and alumni supported this worthwhile event to raise awareness and funds to assist women living in poverty and oppression across the globe. KRB mothers – Alison Green, Michelle Femon and Nicole Murphy have initiated this worthwhile endeavour. Caritas Australia has a high profile in Nepal and is currently working with communities struggling in the aftermath of the destructive earthquakes. We were fortunate that the guest speaker, Rupa Rai, a Nepali woman working with Caritas was able to be in Sydney for the event. KRB Music students are keen to adopt Caritas as their charity for their fundraising efforts. As always, our students were a credit to their school.

TOUR DE CURE VISIT TO KINCOPPAL-ROSE BAY JUNIOR SCHOOL

On Wednesday, 13th May, the Junior School students at Kincoppal–Rose Bay, were addressed, at their Primary Assembly, by a group of cyclists who had recently participated in the Tour de Cure. The Tour de Cure is a charity bike race which is held annually riding to cure cancer. The visit was organized by Ian Shiels, father of Emma (Year 4) and Kate (Year 2). Mr Shiels himself has participated in the tour for a number of years now and recently completed the 2015 Signature Tour de Cure. We were informed that the Channel 7 Sunrise crew also participate in the Tour and in fact Mr Shiels had brought along a special guest – the dreamy James Tobin from the Sunrise program- to address us as well. In their talk the presenters told us about the bike ride, which this year took place from Adelaide to Melbourne. The cyclists explained that they also visit schools throughout Australia educating kids with their “Be Fit, Be Healthy, Be Happy” Campaign. All the students who attended the Assembly were also excited to receive a gift of a yellow Tour De Cure rubber ball.
NEPALESE APPEAL

Dear Kincoppal Community,

My name is Sasha Allerton and I am Head of Social Justice at Kincoppal in the Year 12 Leadership team.

I carry a desperate plea for help from Nepal, where there has been a terrible tragedy, with close to 5,000 fatalities and many more injured as a result of last week’s earthquake.

KRB has had a long and loving association with Nepal, having sent students to the country on excursions in recent years, while building a strong connection with Sydney’s Nepalese community.

I believe it is incumbent on us to help the people of Nepal recover from this terrible tragedy. Our involvement in helping the community is part of the Sacred Heart philosophy, while helping build KRB’s relationship with the Nepalese community.

The Nepalese community leaders in Sydney have expressed to me their desire to urgently collect crucial necessities (not cash) as many of their countrymen are now homeless and facing a desperate struggle for survival.

The items most urgently required include:

- blankets
- sleeping bags
- medical goods, bandages, Panadol and sanitary pads
- clothes (tracksuit pants, jumpers, etc.). It is important to note that these items do NOT have to be new but simply clean and in reasonable condition, such is the urgent need of the people.

The Sydney Nepalese community has special access to flights and other transport that can take our donations directly to the worst affected areas.

Last Wednesday 6 May, Angus Brandt and Lindon Hyde-Smith from the Sydney Kings came and ran a skill based Basketball training session with skill development, concept development and modified games. The girls enjoyed this experience and had many questions about their Basketball experiences and the life of an elite athlete.

FOOTBALL 1ST TRAINING SESSION

On Thursday 14 May, Catherine Cannuli a retired Australian ‘Matilda’s and Australia W-League Football player attended the Senior 1st & 2nd soccer training session. Catherine ran part of the session highlighting key football skills and positional plays for the girls to work on for their up and coming games.

Having played for Australia and in the W-League for teams like Sydney FC, Brisbane Roar and Western Sydney Wanderers, Catherine gave an insight into her career, barriers she faced and overcame and her upbringing. Catherine talked to the girls about nutrition, injury prevention and the career pathways for female football players. The girls where inspired from her success and skill level.

ATHLETICS CARNIVAL COMPULSORY ATTENDANCE

The Year 7–12 Inter-house Athletics Carnival will be held at ES Marks Athletics Track, Boronia Street (off Anzac Pde) MOORE PARK https://goo.gl/maps/W1vGX on Thursday 21 May.

This is a compulsory school day for all students to attend.

Please refer to the portal for more information regarding the Year 7–12 Athletics Carnival.

KRB CROSS COUNTRY

The Year 7–12 Cross Country Carnival was held on Tuesday 28 April at Christison Park. Congratulations to Lucy Edwards on winning the Liz Miller Shield presented to the fastest runner in the school and the following Age Champions and Runners up:

12 Years Age Champion: Natasha Wong
12 Runner up: Matilda Metcalfe
13 Years Age Champion: Amelia Stynes
13 Runner up: Arabella St John
14 Years Age Champion: Clementine Crawford
14 Runner up: Madeline Adamo
15 Years Age Champion: Antonio McCristal
15 Runner up: Audrey McGuire
16 Years Age Champion: Tyla Comino
16 Runner up: Harriet Beavis
17 Years Age Champion: Lucy Edwards
17 Runner up: Ruby Harrison
18 Years Age Champion: Molly Windsor
18 Runner up: Arabella Robinson

AUSTRALIAN AGE SWIMMING CHAMPIONSHIPS

The Australian Open and Australian Age Swimming Championships were held over the School holiday period. Congratulations to the following girls for competing at this event:

Valentina Colombini: 13th Freestyle 50m & 100m Freestyle
Alessandra Gazal: 100m Butterfly, 50 Freestyle & 100m Freestyle
Elly O’Donoghue: 50m Freestyle, 100m Breaststroke & 200m Breaststroke (8th in final)
Rhiannon Carr: 100m Butterfly 2nd place overall, 50m Freestyle, 100m Freestyle & 50m Butterfly

GOLD YOUTH PERFORMANCE STANDARD

Congratulations Rhiannon Carr (Year 10) on being selected in the NSW emerging youth talent squad for Swimming. The selection is based on the selection criteria by Swimming Australia. Rhiannon will compete in the NSW team at the Australian State teams Swimming Carnival in September.

SYDNEY KINGS BASKETBALL

Last Wednesday 6 May, Angus Brandt and Lindon Hyde-Smith from the Sydney Kings came and ran a skill based Basketball training session with skill development, concept development and modified games. The girls enjoyed this experience and had many questions about their Basketball experiences and the life of an elite athlete.
FROM THE DEVELOPMENT OFFICE

We have held a number of functions over the past fortnight including the Junior School Mass and Afternoon Tea and the Senior School Mother Daughter Lunch. Over 400 guests attended each of these functions.

As well we had a record number of parents, from the three year old program to Year 11, attend the Principals Welcome Dinner on Monday night. It was an opportunity for parents to meet others from their class group, members of the School Board and staff and to hear a presentation from the Principal.

Our third event this week, the KRB Networking Breakfast was a great success with over 50 members of the KRB community joining together in the QVB Tea Rooms. Past students from the Class of 2014 to those who left in the 80s attended. Mary Still, partner at Clayton Utz was an outstanding facilitator and the panel of Susan Panuccio, CFO News Corp, Virginia Briggs, partner with Minter Ellison and Cathy Kovacs, Head of Equities BT Financial Group, provided wonderful insights into the challenges and opportunities they found in the work place.

From this breakfast we will be setting up a networking group and will meet on a regular basis. If you are interested in being part of this, please contact me on 9388 6024 or cookm@krb.nsw.edu.au

Mary Cook
Director of Development

ROAD SAFETY AND THE KRB SCHOOL COMMUNITY

At Kincoppal-Rose Bay School we are always focused on the safety and well-being of our students. As a Sacred Heart community we want to ensure that our children are responsible, safe and aware when travelling to and from school and that they are able to use this awareness out of school time as well. It is important for parents to discuss road safety with their children and to model safe practices about road safety for them. Parents may find the following tips from Transport NSW helpful when talking about road safety with their children.

When walking to school:
Always hold your child’s hand up until the age of eight. Young children need your help to spot danger like vehicles coming out of driveways. They can also be easily distracted and wander into traffic.
Drop off and pick up your child near the school gate and avoid calling them from across the road. Talk to your children about Stop, Look, Listen and Think every time they cross the road:
• Stop one step back from the kerb
• Look for traffic to your right, left and right again
• Listen for the sounds of approaching traffic
• Think whether it is safe to cross

Drop-off and pick-up by car:
Make sure your children are in an appropriate child restraint that is fitted and used correctly.
Stick to the 40km/h speed limit in a school zone as children are about and can be unpredictable.
Look out for buses pulling out – watch for wig-wag lights.
Always park and turn legally around schools and avoid dangerous manoeuvres like U-turns and three-point turns.

Always give way to pedestrians particularly when entering and leaving driveways.
Drop the children off and pick them up on the school side of the road in the school’s designated drop-off and pick-up area. Calling out to them from across the road can be dangerous because they may run to you without checking traffic. It’s safest for the children to get out of the car on the kerb side of the road to be away from passing traffic.

Let’s work together to ensure that our children safe road users.

Marie Wood
Director of Students

THE PARENTS’ & FRIENDS’ ASSOCIATION

The fund raising activities of the Parents’ & Friends’ Association have been very successful over the last 18 months and we would like to thank the school community for its support and generosity.

In 2014 these activities included the Trivia and Art Evening and the Mother’s and Father’s Day raffles. The Welcome Cocktail Party and City Goes Country are revenue neutral and help to develop a sense of community. As announced at the Annual General Meeting in November 2014 these and previous activities saw $75,000 donated to the school. As the Principal advised recently these funds were used for new furnishings in the Kindergarten classrooms, replacing Year 11 and 12 lockers and boarding area improvements.

In 2015 the Mother’s and Father’s Day raffles along with the Spring Fair constitute our fund raising events. We are pleased to advise that over $10,000 was raised at the recent Mother’s Day raffle and the winners were as follows;
1st: Silvana Scarica
2nd: Gwynn O’Neill
3rd: Sarah Kelly
4th: Laura Jones
5th: Sarah Kelly.

These fund raising activities would not be possible without the kind donations made by members of the school community and external businesses. We wish to acknowledge and thank the donors who are listed below:
• Polished Beauty Bar and the Dacres-Mannings Family
• Papier D’Amour and the Gazal Family
• Lite Luxe and the Dahdah and Horseman Families
• Jan Logan
• Bar Coluzzi
• The Green Family
• Malouf Family and the Royal Oak Hotel
• The Waugh family
• Sue McGregor and the Year 9 Boarder Parents
• Median Apartments
• T & R Butchers and the McDowell Family
• Good to Play
• David and Imogen Hannon

The P&F Executive

WINNERS:
1st:  Silvana Scarica
2nd:  Gwynn O’Neill
3rd:  Sarah Kelly

The P&F Executive

15 MAY 2015 | KRB NEWS ISSUE 6 | 7
You are invited to Sydney’s first Power of Engineering event for 2015!

**When:** Monday 6 July 9:00am – 4:00pm

**Where:** UNSW Kensington Campus

**Cost:** FREE! This includes lunch at the event

**Who is invited:** Female year 9 and 10 students, even if they have not showed an interest in engineering

The Power of Engineering event is completely free for teachers and students to attend. The one day event includes activities and catering thanks to our university and industry partners.

Interactive and hands on workshops showcasing a variety of disciplines

- Inspirational and informative speakers from industry that the students can relate to
- Site tours or industry experience for students to experience local engineering projects

Registration is now open at unsw.to/poe

If you have questions, please email Alex Bannigan at a.bannigan@unsw.edu.au or call (02) 9385 7458.
