Boarder Code of Conduct
Students Rights and Responsibilities

"Your example, even more than your words, will be an eloquent lesson to the world."

(St. Madeleine Sophie Barat)

Fundamentally our Boarding culture is one that lives out and reflects the values of the Catholic faith and the charism of the Sacred Heart. All students should feel seen, heard, supported, accepted and loved. Each student is valued as a unique creation of God and as such their innate dignity should be always respected.

Everyone in our Boarding environment expects to be in a place that supports their growth, development and excellence.

This code of conduct has been created in collaboration with students and is to be reviewed every 3 years to ensure it is reflective of current practice and understanding.

In adhering to these rights and responsibilities we will build a culture of excellence, inclusion, celebration of diversity, respect and care.
