KRB

Global Experiences

Global experiences empower KRB students to become compassionate global citizens, ready to contribute positively to an interconnected world.

KINCOPPAL – ROSE BAY

SCHOOL OF THE SACRED HEART

Our key offerings include:

Exchanges

Virtual, domestic, and international opportunities to connect with our Sacred Heart network through immersive exchange programs.

First Nations Immersion Programs

Experiences designed to deepen understanding of First Nations cultures, histories and perspectives.

Study Tours and Global Learning

Educational programs that blend academic learning with real-world experiences. Students visit organisations, cultural sites and industry locations to strengthen knowledge, build global perspectives and broaden awareness of international contexts.

Service Learning

Hands-on projects that empower students to become agents of change through meaningful service in local and global communities.
