FROM THE PRINCIPAL

It has been a wonderful start to Term 3 so far. I am pleased to be back and have been catching up with many people.

Sabbatical and Study Leave

During this time I was able to;

♥ Undertake an Executive Course at the London Business School on High Performance People Skills for Leaders

♥ Attend a seminar on the future of Independent schools in Edinburgh

♥ Visit schools - Kilgraston (the Sacred Heart Boarding School in Scotland), Benenden (a girls boarding school in Kent) and the Sacred Heart School at Atherton in California

♥ Visit two innovative schools that were very interesting architecturally – Twickenham Academy in Richmond and the East Barnet School. Their respective missions were “Achieving more than you thought possible” and “I want to learn.”

♥ Attend the US Sacred Heart Spirituality Forum. This was focussed on Janet Erskine Stuart rscj who was a great educator and 5th Superior General of the Society of the Sacred Heart from 1911-1914. We have now started the Year of celebrating her contribution to education. Janet was a great educator and thinker. Major presenters were Kathleen Hughes rscj, Suzanne Cooke rscj and Professor Ilia Delio osp. It was also a wonderful opportunity to participate in inspiring liturgies and network with other Sacred Heart educators

♥ Spend some time with my family in London

I really appreciated the opportunity and have returned refreshed and with lot of ideas to continually improve our education here at KRB. I would like to thank Mark McCrossin, Maryanne Carrick and the Leadership Team members for their support whilst I was away.

Leadership Inauguration

We continually emphasise the importance of developing the confidence of our students, particularly our young women. Encouraging them to put themselves forward for leadership opportunities is one way of doing this. St Madeleine Sophie Barat herself said about Leadership, “Have courage and confidence”. Kincoppal – Rose Bay School has a long tradition of developing fine student leaders showing courage and confidence with a strong service ethic and a commitment to social justice.

At the Leadership Inauguration Ceremony this week, we were privileged to have former KRB Head Girl, Jane Slattery (Class of 2005), come and speak to our students about women who have inspired her throughout her life. Her speech showed us that her time as a leader at KRB has had a profound impact on her life since leaving school from where she embarked on further study and a career as a solicitor.

TWEET OF THE WEEK

“Holly Johnson – Year 12, 3rd @ State XC!!! Amazing run!! Holly will now represent NSW at the National XC.” #KRBKenyan
Students from Years 5 to 12 were in attendance and I thank those parents who were able to join us in honouring our new student leadership team:

♥ Georgina Ringler, Head Girl
♥ Maryanne McRedmond, Head Boarder
♥ Amelia McGuire, Head of Boarding SRC
♥ Inez Hernandez-Denham, Head of Liturgy
♥ Sabrina Kwok, Head of SRC
♥ Lucy Cowper, Head of Sport
♥ Madeleine Clunies-Ross, Head of Committees
♥ Zhenyi (Carrie) Wang, Head of International Students
♥ Matisse Nettis. Head of Social Justice

Georgina Ringler honoured our current Student Leadership Team thanking them for their service to the school and acknowledged that they were inspiring role models for herself and her peers.

Monsignor Tony Doherty

Last weekend Monsignor Tony Doherty, Parish Priest of St Mary Magdolene and St Therese parishes celebrated 50 years as a priest. There was a cocktail party and then a mass on Sunday followed by a morning tea. There were many parents, past parents and students from the KRB community at these functions to celebrate and thank Tony.

Part of one of the Prayers of the Faithful was

…..We thank you for the great gift of our Parish Priest Fr Tony and ask your continued blessing on him as he guides us all with his loving heart.

We are indeed fortunate as a school community that Tony is so supportive and involved with KRB.

Year 12 Students start their HSC Trials

Good luck to our Year 12 students who begin their Trial Examinations next week. Please pray for our students during this time as they certainly benefit from the support of our KRB community.

With regards

KRB celebrates NAIDOC Week

NAIDOC Week (National Aborigines and Islanders Day Observance Committee) celebrations are held around Australia in July each year to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. The senior library display with our Aboriginal and Torres Strait Islander flags attracted attention this week, and our regular promotions highlighting indigenous culture were very well received.

Mrs Julie Burke and Year 6 Extension Literature students came to the Library to hear ‘Dreaming Stories’ told by our Senior School Indigenous students. There was great interaction, and in addition to reading some stories, the students spoke about their traditional clans and shared some of their favourite Dreaming stories that they had heard from family elders.

During recess and lunch time, music and video clips showcased traditional artists, from Gurrumul to deadly Hip Hop bands such as “The last kinection.” To complement the celebrations, students made ‘friendship bands’ in the colours of the Aboriginal and Torres Strait Islander flags during lunchtime craft on Thursday and Friday.

Year 12 Study Week

This term is an extremely important term for our Year 12 students and Year 11 accelerants (Mathematics Extension 1) who are preparing for their Trial examinations. Our Drama, Visual Art, Music and Extension 2 English students will also be completing their HSC practical course components this term and our Language students will be sitting their HSC oral examinations. In order to assist and support these students with their preparation and study, the School opened up the Library and Boarding School during the last week of the school holidays.

Up to 55 Year 12 students and Year 11 accelerants made use of this opportunity and attended the study week from Monday 8 July right through until Sunday 14 July including Saturday and Sunday. They worked extremely productively during the time and were able to use the library facilities including technology, and as well, access past examination papers. Teachers, librarians and tutors in a range of subjects were on hand to assist students with any questions and to mark draft essays. Students were able to attend a variety of seminars including Chemistry, Drama, English and Italian which were conducted by the Science, Drama, English and Languages staff. Many teachers also supported and assisted the students during this time by marking and providing feedback to the students on their essays and examination questions.
Year 6 Leadership Conference – Adelaide Hills

In the last week of Term Two, ten of the Year 6 student leaders participated in a two day Ignatian/Sacré Coeur Youth Leadership Conference in the Adelaide Hills. Students from a number of Ignatian and Sacred Heart Schools attended including St Aloysius’ College, Sydney; St Ignatius’ College, Riverview; Xavier College-Burke Hall, Melbourne; Xavier College-Kostka Hall, Melbourne; Sacré Coeur, Melbourne; and St Ignatius’ College, Adelaide.

The students were accompanied by Mrs Maryanne Carrick, Head of Junior School and Miss Ingrid Fung, Year 6 White class teacher.

The Conference focused on Leadership and the call for these students to be leaders in their communities through service and action. The children learned about key leadership qualities and how they could implement these through their Heads (raising awareness), their Hearts (helping others) and their Hands (getting involved in a cause). Through interactive workshops, the students explored and reflected on different aspects of leadership including collaborative, imaginative, creative and service leadership. The students were inspired by a number of guest speakers including a former Australian Paralympian, a cartoonist, an African drum troupe and Year 12 leaders from the host school St Ignatius’ College, Adelaide.

Our Year 6 students returned to school with an enthused outlook toward their roles as leaders in Barat-Burn. This term, they plan to implement an action plan focusing on an area of social justice that they hope to raise awareness about and fundraise for the particular cause. The Year 6 leaders are looking forward to working with other children and educating the Barat-Burn community about their ideas.

Year 7 ‘A Midsummer Night’s Dream’ Excursion

On 22 July all Year 7 students attended the play ‘A Midsummer Night’s Dream’ at the Sydney Opera House produced by the Bell Shakespeare Company. In English during Term 1, everybody studied the play by William Shakespeare. We read the play and watched the film; however it was very intriguing to see the play being performed as it was written to be. Many of us thought it was fascinating how there were only 7 actors that performed the whole play, which contained around 21 characters. The play used the traditional language but in a slightly different way to the usual Shakespearean plays. The costumes were more contemporary and the set was basic, using only a wooden backdrop and tables and chairs to represent the different scenes. It was thoroughly enjoyed by everyone who attended.

Joigny Children Caring for Others
The Joigny children were invited to help an organisation called Gunawirra, a not for profit charity that supports Aboriginal country pre-schools. Gunawirra works in direct response to the needs and resources that the Centres require, with on-going collaboration and consultation. The people from Gunawirra expressed through their vision and care of Aboriginal children, a need for basic health care necessities for these children. They asked for donations of Care Packs that might include toothpaste, toothbrush, underwear, soap, band-aids and socks among other things. The Joigny children spent some of their holidays and first week back at school collecting these items and making their own Care Packs. They wrote a short letter or drew a picture for the recipient children and placed these in the bags as well. The children managed to donate and create over one hundred Care Packs which were delivered to the charity last week for distribution to Aboriginal children over the coming weeks. It was a wonderful learning experience for the Joigny children as they discussed why the Aboriginal children might need these things as well as talking about sharing what they have and meeting the needs of all children. Thank you to everyone who helped this very worthy cause.

World Challenge
Arriving in Phnom Penh three weeks ago, the girls saw how the vast majority of the world’s population lives. A trip to the Central Markets saw the girls come face to face with beggars, including small children, new and strange smells, different foods and very persistent ‘tuk tuk’ drivers.

A seven hour bus trip to a small rural village saw us arrive at our project where we were based for five days. Our task was to help the local builders construct a brick fence around the perimeter of the primary school. The village had about 300 homes with 240 children attending the school half in the morning, half in the afternoon. For the duration of our stay we were housed in a family home – 3kms from the school and each morning we would venture to and from the school for work. This consisted of moving bricks, sand and rocks and digging holes – 1 x 1 metres wide and 80 cm deep in heavy clay with Cambodian tools. The girls worked hard and at the end of each day we were able to wash and cool off in a field across the road that was flooded. The girls carried an excellent work ethic into this project and they could see that ever so slowly they were making a difference.

In addition to this, they also spent time in the classrooms teaching children basic phrases, along with the Hokey Pokey and the Chicken dance (amongst others) outside. At morning tea time they spent time playing with the children, soccer was a favourite.

On our second last day I went to the nearest large town (Battambang), with the project manager, to spend $400 of our fundraised money on stationery, pencils, exercise books, soccer balls, teacher supplies, posters, paints, brushes and many other useful items which we were donating to the school on our departure the following day. During our stay the deputy chief Monk took us under his wing and taught us many things about the village and Cambodia in general – he had spent a couple of years in America so his English was excellent. During our stay he gave us a fantastic tour of the village along with its temple and pagoda (unfinished), we had many children joining us on this tour. The girls were incredibly thankful for his presence throughout the project so decided to donate their remaining $300 to assist in the building of the pagoda. The $500 that World Challenge gave us to help with project costs was all donated to the building of the fence. During our stay we were fed very well by the family who gave us their home. Each day on our commute to the project, Frances Ryan would join me for a run instead of catching the bus. By the end of the week we had little children following us. Other girls often walked to and from the project site. We were fully immersed into the life of this village and it was quite hard to leave.

Public Speaking Success

On 22 June at NSW Parliament House, Georgia Hinds of Year 8 won the State Final of the Junior Division of the Rostrum Voice of Youth Public Speaking Competition. She placed first out of a group of talented speakers in Years 7, 8 and 9 from schools throughout NSW which is a wonderful achievement. Her prepared speech was on the topic ‘The Heart of the Matter’ and was about Syria’s civil war. For the impromptu speech, which was praised for its originality and humour, she spoke on the topic ‘Technology of the Future’ which focused on how her technologically savvy generation just wants to be happy, but needs to be more selfless. Georgia received $200 in prize money and will now compete in the National Final in Canberra at the end of the month. We wish her the very best for her National performance.

Youth Parliament Program

Over the holidays I participated in the YMCA Youth Parliament program. This program was aimed at 15–18 year olds from electorates across the state who wanted to immerse themselves with issues affecting their area and to have their voices heard. The program consisted of a week of Parliament sitting at the State Parliament in Sydney with the opportunity to discuss the issues which the youth identified within their communities. These issues included a commuter care Bill, legalisation of gay marriage, male domestic violence Bill and the introduction for an opt-out organ donation system.

This experience helped me to develop my speaking skills in front of others as well as incorporating Parliamentary etiquette. It helped me to become more aware of the role of State Parliament and the its procedures. The program helped me to express the concerns I felt within the Vaucluse electorate and was an amazing experience. It helped me to meet other like-minded young people from across NSW and be able to interact and discuss the variety of issues felt amongst us all. I thank Gabrielle Upton for granting me this opportunity and I hope to continue to be involved within activities such as the YMCA Youth Parliament.

Bronte Wilson, Year 11

Witherspoon Network Camp

From the 1st to the 5th July in the school holidays, Clarissa, Eloise, Christina and I went to Campion College for the Witherspoon Network Leadership Camp. For the five days, we participated in a series of lectures designed to challenge conventional modes of thinking; including that of philosophy, literature, history, theology, social justice, media, relativism and political theory. These brought up group discussions on topics such as science vs. religion, the right to choose and the church’s role in politics. We also took part in group activities such as sport, bushwalking, debating, dancing and team activities. It was a fantastic group of students and we became friends with a variety of people from different schools in Sydney, Brisbane and Melbourne. On this camp, we acquired skills to prepare us to take part in discussions that we are likely to encounter. It was a fantastic experience and it was a great opportunity to meet new people and develop our leadership skills.

IPSHA Music Festival

KRB hosted students from Coogee Prep, St Andrew’s, St Aloysius’, Danebank, Meriden, Emanuel School and Wahroonga Prep in preparation for the IPSHA Music Festival in the Town Hall on Wednesday 7 August. KRB participates in this wonderful festival every two years. Rehearsals for the items performed by the massed choir of 600 students were conducted by our choral director Mr Stubley, and teachers from St Andrew’s and Danebank. Also rehearsing were the combined concert band of 80 students and string group of 50, both featuring KRB instrumentalists. The concert in two weeks is a great testament to the efforts in Primary Music education in our member schools. We are performing “Africa” by Toto, “Kusimama,” an inspiring piece in Swahili and English, and “Terra Australis,” an upbeat piece by Australian composer James Madsen. The rehearsal was hard work, but great fun, and the students enjoyed the interaction with the other schools.

Year 11 Drama Night

In the first week of Term 3, Year 11 Drama students presented Australian Writers: Monologues by Australian Playwrights to an audience of parents, family, staff and students in the KRB Drama Suite.

Performances ranged from a heartfelt and dramatic piece from Nick Enright’s Property of the Clan, in which Claire Dunworth portrayed a teenager grieving the loss of a dear friend, to Melanie Ridley’s satirical and hilarious portrayal of Mary O’Donnell from Joanna Murray-Smith’s one-woman play Bombshells.

The evening marked the culmination of students’ study of applying a directorial concept to their own performance work. Congratulations to all Year 11 Drama students on an engaging and entertaining evening of individual performances.
Faith

In Term Two the Year Two students began their preparation for the Sacrament of Reconciliation. The students learnt that:
♥ God always forgives them
♥ That Jesus taught forgiveness and peace
♥ That they have free will: they can choose to do what is right and wrong
♥ Sin is choosing to turn away from God

On Wednesday 24 July the Year Two students along with some students in Year Three and Year Six came together in their class groups to celebrate the Sacrament of Reconciliation. It was a special day for the students and their families as they took another step in their journey to be part of God’s Christian family.

The Boarders In weekend on 19-20 July was a great success with the students enjoying the activities and spending time with each other. On Friday night we hosted a movie night with a “pyjama party theme” and the boarders settled down in the Hughes Centre with their pillows and doonas. The senior students made 100 vanilla and chocolate cupcakes to eat and these were eaten with plenty of soft drink.

On Saturday the students participated in a colour run which involved them running to various stations on the KRB campus and being painted with bright colours. To complete the event the students needed to finish with seven different colours on their bodies. The winners were Mel Ridley and Kate Fowler.

The students also assembled 200 birthing kits for the women in Africa. This involved carefully packaging items such as string, glove, soap a blade etc. into plastic packages that will be sent to Africa. The weekend culminated with a paraliturgy. The students’ behaviour was outstanding throughout the whole weekend and the staff and I very much enjoyed spending time with them.

KRB Rhythmic Gymnastics Competition
During the holidays, Kincoppal-Rose Bay was the proud host of the first Rhythmic Gymnastics competition held at the MTC Centre. Eleven other schools visited to compete against our School.

This competition was the culmination of many months of intense training for all our gymnasts. The results were outstanding and were a credit to every gymnast who already qualified for the State Championships in September.

Our KRB girls had a chance to take all the top places. The results are as followed:

2013 Sydney Interschools Snowsports Championships
KRB had an outstanding meet at the Sydney Interschools Snowsports Championships, held at Thredbo in the last week of the school holidays. Congratulations to our team of 19 boys and girls, (ranging from Years 1 to 9) who represented KRB and posted some of our most successful results to date. Many of our students posted personal bests, a number received medals and our Barat-Burn students were awarded two highly contested championship trophies- Primary Female Skiing Champions and Primary Female Overall Champions.

Congratulations to the following students who will represent KRB at the NSW State Championships in Perisher in August:
Arkie Lennon, Edwina McCormack, Eleanor Miller, Penelope Hughes, Phoebe Hughes, Bridget Lennon, Emilie Oayda, Grace Harrison, Ruby Harrison and Selina Cheung.

KRB Skiers Identified
Phoebe Hughes

Congratulations to Phoebe Hughes who was identified and invited by the NSW Institute of Sport as a Snow Sports Association “Athlete of the Future” to attend their Moguls Development Camp in August. Based on her excellent performance at the Interschools Snowsports Championships, Phoebe was only one of 22 children selected by Peter Topalovic, the Australian National Freestyle Mogul Team Coach. Phoebe will be training with some of our Sochi 2014 Winter Olympians, gaining valuable tips from them.

Penelope Hughes

Congratulations to Penelope Hughes who was awarded an, “Alpine Rising Stars Award” by the NSW Snow Sports Association. This award is offered to only a small number of selected racers who performed at a very high standard in Interschools races but have not been members of a Race Club. Penelope has been invited to spend a weekend with either the Thredbo Ski Racing Club or Perisher Snow Sports to train with them and try out for their teams. In addition to this, Penelope has been offered a place to race in the upcoming Thredbo Ski Racing Club Cup as well as the Blue Cow Cup.
