FROM THE PRINCIPAL

Dear Parents, Students and Staff,

I would like to thank everyone who attended the Mass of Celebration for the Life of Sister Philomene Tiernan rscj on Wednesday 13 August, concelebrated by Monsignor Tony Doherty and Father Brian Yates. Over 1,700 current and past students, parents, rscjs and staff, as well as many friends of both Phil and the School, were in attendance on what turned out to be a beautiful sunny day after so much rain on previous days.

The theme for the Mass was “A Love Bearer and a Love Giver” in honour of Phil’s life of living Cor Unum. I was especially touched by the hearts that our students and congregation wrote or drew on to honour Phil’s memory.

In my own tribute to Phil, I spoke about her “raising me up to be the Sacred Heart Educator that I am today.” Phil saw the goodness in each of us. She was affirming, wise and perceptive. This tribute was followed by Maia Andrews (KRB ‘97) and the choir’s rendition of You Raise Me Up, which was especially beautiful. Many past students returned to be part of the choir on the day. I know Phil made many people feel special and loved, including generations of day and boarding students and their families. They too experienced her wisdom, friendship and compassion.

We have greatly appreciated the support of our KRB Community during this sad time.

If you would like to read my tribute to Sister Philomene Tiernan rscj in full, please go to the KRB website.

Women & Leadership Forum

KRB aims to develop the confidence and resilience of all our students and the networking skills of our senior students. One way of doing this is for our students to meet successful women and hear their stories and their wisdom. It is important for young women to encounter other women who can be role models for them as they consider their future options in their tertiary and career choices.

The KRB annual Women & Leadership Forum, our Networking evenings and many talks on different occasions are ways of inspiring our students. We had an excellent Women & Leadership Forum on Monday 11 August, with four inspirational speakers on the panel:

- Jennie Hudson, Clinical Psychologist and Researcher at the Centre for Emotional Health, Macquarie University
- Susannah Moran-Rogers, Past Student (KRB ’97) and Award-Winning Journalist
- Holly Kramer, CEO, Best & Less
- Rose Hiscock, Director, Powerhouse Museum

The panel provided wisdom and advice to KRB students and students from other schools in regards to being a woman in the workplace, supporting each other as women, having choice and opportunity, being open to opportunities and career risk taking. Jennie Hudson spoke about her research into anxiety in young people, reiterating that it is normal and not always a bad thing for anyone to feel fear or anxiety before an interview or speech or exam. Holly Kramer also spoke about her own career and how she made decisions and

RIP COLLEEN PIDCOCK

We extend our sympathy to the family of Colleen Pidcock (Goyen, Rose Bay 1956) who died on 21 August. We remember her and her daughter Suzie Daniel (Leary, 1979) and her granddaughters Rebecca (2007) and Francesca (Year 11).

May she rest in peace.

TWEET OF THE WEEK

KRBSports @KRBSports
Great start to IGSSA Athletics. 9 girls already making it through to finals tomorrow #onfire @bodyscience @KRBSchool
FROM THE PRINCIPAL

FROM LEFT: 1. SISTER MARY SHANAHAN RSCJ, SISTER MARG MCKAY RSCJ, MRS HILARY JOHNSTON-CROKE AND KRB BOARDERS AT THE “WESTIES” LUNCH. 2. MRS HILARY JOHNSTON-CROKE, MRS ANNE-MAREE BENNETT, GRACE GERATHY AND ALICE HAMBLIN. 3. LUKE RICKETSON, ANDREW MEHRTENS, HILARY JOHNSTON-CROKE, MATT BURKE AND BRYAN CURTIN AT THE RUGBY LUNCH

took risks to achieve her ambitions. In her role as the Director of the Powerhouse Museum, Rose Hiscock talked to us about the lack of females in the role of director at Museums across Australia/New Zealand and said that she hoped that it was a role that our students aspired to. Alumna Susannah Moran-Rogers, who suffered from a life-threatening brain tumour at the age of 17, said to students that if they are facing situations that seem insurmountable “keep on going, persevere, things can only get better.” Our new Student Leadership Committee took a lead role in running the Forum on the night, with many of the team introducing speakers and all students and parents taking the opportunity to further discuss issues in a Q and A with panel members at the end of the evening.

Year 12 Class of 2014

On Wednesday 20 August, the HSC Visual Art students and Design and Technology works by our Class of 2014 were on display in the Maureen Tudehope Centre. The diversity and breadth of the works was remarkable, with a range of media including film, installation, painting, sculpture, printmaking and digital photography. I wish our Year 12 Art and Design students all the very best for the marking of their HSC works this year.

This week has been a big week for our Year 12 students with our Drama students undertaking their group and individual projects last Monday evening. Music students will present their performances tonight and this Sunday. I wish them all the very best.

First Eucharist

On Friday 15 August, children in Year 3 received the Sacrament of First Holy Communion in a Mass celebrated in our School Chapel. A special blessing was also conferred on some Year 3 children. The Mass was celebrated by Monsignor Tony Doherty and Father Garry Reynolds. The children participated prayerfully and reverently in the liturgy and then received the Sacrament or a special blessing in the company of their parents and family. Thank you to all of the families who shared in this very important celebration. The Sacrament of First Holy Communion is a very special time in each child’s faith journey as part of God’s Christian Family. I would especially like to thank Belinda Connolly, Tess McLean and Louise Ashbridge for their organisation of this special day.

Board Planning Day

Last Saturday we held the 2014 Board Planning Day at KRB. This was attended by Board members and members of the School Leadership Team.

The sessions included:
• A briefing on the Encyclical Gaudium (The Joy of the Gospel) by Sandie Cornish the Province Director of Mission
• A look at issues that could affect the school in the future by Dominic Thurbon, Chief Creative Officer of Change Labs
• A briefing on the ideas so far from the Process to update the Senior School Masterplan and the Capital Projects that will happen in the next 18 months
• A tour of the school by Board members.

Community

Welcome to Anne-Maree Bennett

We welcomed Mrs Anne-Maree Bennett to KRB on Monday 11 August in her new role as Director of Boarding. Boarders and I held a liturgy to bless her last Monday in the School Chapel as part of her induction to the School.

Anne-Maree has said, “The opportunity to contribute to a school with a strong Catholic tradition, a strong international network and reputation and an inter-generational local community is what I value most about my appointment as Director of Boarding at KRB.”

Rugby Lunch

We held a very successful Rugby Lunch at Doltone House Elizabeth St Sydney on Friday 8 August, with over 400 guests – current and past parents, Board members, sponsors and friends of the School - attending. A number of past students assisted at the event. Ursula Smith from the KRB Class of 2011, now studying Law at the University of New England and the recipient of a bursary, spoke of the opportunities her KRB education has given her. We enjoyed hearing from a really excellent panel of Wallaby Matt Burke, All Black and parent Andrew Mehrtens and NRL player Luke Ricketson.

I would like to thank all those who contributed to the Lunch through sponsorship, donations of prizes and support on the day. My special thanks to the KRB Rugby Lunch Committee for organizing such a successful event, which has raised $98,000. This money will be directed to the KRB Bursary Fund.

“Westies” Lunch

The “Westies” Lunch was held on Wednesday 20 August with special guest Sister Marg McKay. The lunch, held once a year, originated in 1998 when Sister McKay started inviting a very homesick Anna Simmons to lunch to help her settle in. This is such a lovely tradition for our Boarders and reminds us of what a strong and supportive community we are all a part of.

Rita Carroll rscj Golden Jubilee

At the Board Planning Day we were pleased to be able to celebrate with the Deputy Chair of the School Board, Sister Rita Carroll rscj her Golden Jubilee. Rita shared with us her stories of her Day of Profession, and her time as a novice at Rose Bay Convent.

With Regards,

Mrs Hilary Johnston-Croke

Principal
TEACHING & LEARNING

HSC ART EXHIBITION 2014

You may have noticed the quote by Ken Robinson that is in the catalogue – “If you’re not prepared to be wrong, you’ll never come up with anything original”.

This encapsulates everything we strive to achieve with our students – not necessarily to get things wrong, but more importantly how to get out of your comfort zone and challenge yourself. There is creativity in each of us, however, what often holds us back is our concern that we won’t get things ‘right’ from the beginning, and therefore we don’t want leave our comfort zone as this means taking risks. We know that taking risks is challenging, however I believe that our Art and Design students this year have really challenged themselves and worked very hard at taking a step out of the comfort zone.

We have a diverse range of works that you see around you and I feel this is reflective of our intention to keep our students working towards the best that they can be. Every students’ work that you see here is a true reflection of hard work, perseverance and collaboration with their art teacher. On this point, I’d like to take this opportunity to thank the wonderful staff - Jody Papandrea, Renee Brown and Alycia Chapple for their consistent hard work and many hours spent in the art and design rooms here at KRB.

Louise Della-Franca
Head of Visual Arts & Design

AUSTRALIAN SCIENCE OLYMPIAD COMPETITION

Last week some Yr 10 and Yr 11 students were selected to take part in the Australian Science Olympiad Competition. This Competition is the training and selection process for top performing secondary science students, which culminate in the International Science Olympiads – The Olympic Games for Science students. We wish the following girls all the very best.

- Jade Liang
- Dora Chen
- Clara Peers Tejero
- Gabrielle Bennett
- Sophie Stack
- Genevieve Duncan-McKenzie Murphy
- Niarnh Cronin
- Emily Bulkely
- Claudia Thackray
- Hannah Guy
- Phoebe McGeoch
- Ella Ottaviano
- Francesca Daniel
- Emilie Bucci

GIRLS IN SCIENCE SCHOOLS’ FORUM

On the 14 of August, girls from Yr 11 Biology, Chemistry and Physics classes visited the Garvan Institute of Medical Research and took part in the Girls in Science schools forum. We heard Dr. Vanessa Kellermann and Dr. Cara Doherty speak about their personal achievements within their respective scientific fields as well as what skills they needed in order to get to where they were in their careers. We were then treated to a great afternoon tea, followed by a tour of the Garvan Institute. The Garvan Institute is renowned for many leading advances in medical research. Our guide, who worked in immunology, explained the type of research currently taking place. One of her favourite parts of the job is the amount of travel involved, a sentiment shared also by Dr. Kellermann and Dr Doherty.

The excursion was very successful, and enhanced the girl’s interest in science and realized the infinite magnitude of possibilities in scientific based careers. All of the speakers were very interesting as well as entertaining, and shared great insights into not only their success but also the steps they took in getting there. Thank you to Ms De Domeneghi, for organising the day and thank you to Ms Brownrigg who accompanied us.
CONNECT TO READING – JUNIOR SCHOOL
BOOK WEEK 2014

Special events for Book Week were aimed to encourage students to ‘Connect to Reading’, this year’s theme. The first exciting event occurred on 18th July when the Junior School hosted the 2014 MS Readathon webcast. This involved all students from Kindergarten to Year six in a film to promote reading in order to raise money for multiple sclerosis sufferers and assist with funding for research.

There is always great excitement when the Book Fair arrives. Students, teachers and parents enthusiastically perused the Fair and purchased books. The school receives a commission from the Fair which adds to our library collection.

On Monday, 11 August, students from Kindergarten to Year two attended a performance: Wake Up and Read! Presented by Frank Cusone from School Performance Tours. The presentation emphasized the value of reading and stories. Students from Years three to six attended Descendants of the Dragon, presented by Nicholas Ng from Young Australia Workshop, on Wednesday 13th August. This performance was a mélange of live music, stories and visuals, taking the audience on a journey to China and its culture.

Dress-up as a favourite book character is a popular Book Week event. Students and teachers come to school representing characters from books they have enjoyed and as recommendations to others to enjoy them too. The parade is fun as everyone enjoys the creativity of the costumes and hearing students talk enthusiastically about the stories. Two Junior School students, Orson Jolliffe and Inigo Willoughby are budding authors and their books were showcased at the assembly.

This year, committees from Year six combined to entertain the assembly. The drama committee wrote a script from the book Too Many Elephants in this House by Ursula Dubosarsky and Andrew Joyner. The music, library and dance committees performed a snippet from the book What Does the Fox Say? by Ylvis, illustrated by Svein Nyhus.

At the end of August, the Premier’s Reading Challenge and the MS Readathon conclude. Hopefully, the enthusiasm for reading generated by the events for Book Week will result in many students completing the Challenge and Readathon.

BOOK WEEK

Connect to reading, reading to connect is the theme of 2014 Children’s Book Week. The CBCA gives awards to Australian writers and illustrators recently published. The library connected to the theme with displays of children’s book winners from the past to the present.

One student from each year received the Most Active Borrower Award and a specially designed Book Week bag. A daily Book Quiz tested memory and reading.

Under Ms Olah’s watchful eye, Team YEAR7KRB were reading, writing and connecting to succeed in Write-a-book-in-a-day for the charity, ‘Supporting Children’s Hospitals in Australia’. The title is ‘Identity’.

Year 8 connected with the past and went on an archaeological journey with Dr Eve Guerry to Ancient Egypt for her ‘Tombs, Tales and Treasures’ presentation.

IPAD INTEGRATION

This term, Year 6 Extension English have been assisting Year 1 with building and expanding their vocabulary. Each week Year 6 have demonstrated and used a variety of Apps on their iPad and worked collaboratively with a small group to undertake literacy activities using these Apps to demonstrate their learning. It has been exciting to see the students increasing their vocabulary whilst learning valuable ICT skills and working cooperatively with their peers. The Year 6 students have enjoyed sharing their knowledge and risen to the challenge of being role models not only in the playground but also in the classroom.

BIG IDEA COMPETITION

Some Yr 8 Science students have been very busy coming up with their Little Big Idea to enter in the Little Big Idea Competition organized by Origin Energy. Students have been learning about Energy during Science this term and were asked to think about a little big idea that would allow them to save energy or invent something that would help them reduce their energy footprint.

I was amazed with some of their ideas, we had self-powered light bulbs, finger microchips that were used for identification, solar bowls that used thermal solar technology to store heat and keep our food warm and using friction from car wheels to generate electricity, just to name a few. All the very best, to all the students, who entered the competition.
FAITH

FIRST HOLY COMMUNION

On Friday 15 August, children in Year 3 received the Sacrament of First Holy Communion in a Mass celebrated in our School Chapel. A special blessing was also conferred on some Year 3 children. The Mass was celebrated by Monsignor Tony Doherty and Father Garry Reynolds. The children participated prayerfully and reverently in the liturgy and then received the Sacrament or a special blessing in the company of their parents and family. We are grateful to all of the families who shared in this very important celebration. The Sacrament of First Holy Communion is a very special time in each child’s faith journey as part of God’s Christian Family.

THE SPIRITUALITY OF JANET ERSKINE STUART

On Thursday the 7 August, 2014 we were privileged to listen to a number of speakers at the Spirituality Evening organized by Sister Mary Shanahan rscj. This evening provided us with insight into the life of Janet Erskine Stuart. Sister Lynette Toohey spoke passionately on two prominent aspects of Janet’s life and character that she considered particularly significant; her love for the beauty of nature and love. This reminded us of the importance of maintaining peace and a spiritual connection within nature. Fran Meagher shared her appreciation and understanding of the book, ‘Life and Letters of Janet Erskine Stuart.’ After hearing her description of the book we were given an insight into Janet’s experiences when traveling around the world and connecting with the sacred heart schools. The last speaker, Christopher Dawson spoke of his cultural connection with Janet and commented on her writing style. Together they offered different perspectives of who Janet Erskine Stuart was, what she believed in, her faith, prayerful life and her strength and ability to stay grounded during worrying times. It was a beautiful evening and a pleasure to listen to the speakers’ insights and reflections about such an inspiring woman.

Kaylie Hunter and Laura Wotherspoon (Year 11)

BOARDING

FROM THE DIRECTOR OF BOARDING

Being embraced by the boarding community has been a wonderful experience; there is both heart and soul in KRB Boarding. This is evinced daily in the warmth the girls have for each other and the great passion with which they go about things, from the year 9’s soggy return mid-Monday from the weekend Bronze Duke of Edinburgh practice expedition to the serenity and fellowship of our mid-week Chapel celebration, where Mrs Johnston-Croke and all the boarders and boarding staff contributed to my induction. Thank you to Mr John Mooney, Director of Mission, for his orchestration of this celebration and to pianist, Zoe Jin, Year 8 Boarder, for her skilful and uplifting accompaniment to the reflection.

Boarding parents too have rallied to extend their hospitality and welcome, which has made my transition a comfortable one.

We have had a couple of changes in the boarding staff in the past week with the departure of the much loved weeknight supervisor Ms Nicola Curnow and her succession by Ms Hannah Roberts. While Ms Curnow was showered with hugs and praise and will be sorely missed, the girls’ showed great resilience in the face of change and their readiness to support each other was impressive.
STUDENTS IN ACTION

SAUSAGE SIZZLE/BAKE SALE
by Megan Fitzgerald Year 10

On a sunny Saturday 9 August, under the guidance of pastoral mentor Mrs Reilly, Pastoral 10.4 hosted a sausage sizzle and bake sale at the MTC Fields. Bacon and egg rolls, sausage rolls and a selection of homemade baked goods proved to pull the crowds of local KRB girls and parents as well as our sporting competitors. The sale was a huge success with the students baking the cakes with their very own ovens and sizzling the sausages with their very own tongs. The event was in response to year 10 philanthropy; a program that creates real social action in the KRB community. All the funds went directly to the Salvation Army’s Oasis and Father Chris Riley’s Youth off the Streets, who both work in sheltering and developing the future of under-privileged teens. Thank you to all our local sponsors whose donations proved crucial in our fundraising; Bakers Delight, Auburn Meats, Patrick’s and Flaky Tart.

LEGS OUT FOR LYMPHOMA WALK IN SYDNEY

Students from Kincoppal-Rose Bay have chosen to support Lymphoma Australia for the Year 10 Philanthropy Program. Seven students from Pastoral Class 10.1 are working together to support the many initiatives of Lymphoma Australia, such as raising awareness of early detection and symptoms.

On Sunday 14 September, students and staff from Kincoppal-Rose Bay will be participating in the inaugural Legs Out For Lymphoma Walk in Sydney, to raise awareness and funds for those who have been affected by Lymphoma. Please support them in this great cause by donating if you can.

WOMEN & LEADERSHIP FORUM

On Monday evening, 11 August, Kincoppal-Rose Bay School held its 2014 Women and Leadership Forum in the ILC. The purpose of the evening was to provide our students, and members of the KRB community, with insights into the world beyond school and the diverse roles of women in Australian society. KRB Staff and students from Years 10, 11 and 12 attended together with students and teachers from Emmanuel School and Roseville College which really highlighted the importance of community in girls’ education.

The speakers’ messages were clear, centering on four main ideas: passion, integrity, finding a good role model and embracing opportunities. All agreed that in life it is important to love what you do— in your education or career— and to enjoy giving back to the community whenever you find yourself in a position to do so. In fact, it is this valuing of “giving back” that brought each speaker to KRB on Monday evening, generously giving of their time and experience to support others. Being a person of integrity was paramount to each speaker and they each stressed the importance of finding good role models and mentors to enrich one’s career path. Finally, emphasis was placed on having a “growth mindset” and being open to opportunities that would enhance individual strengths and help the individual to realise her potential. Inspirational messages for all.

We look forward to continuing the dialogue surrounding these important issues for women’s leadership.

Marie Wood
Director of Students

From our student leaders...

It was a wonderful night of women sharing their experience, knowledge and encouragement in order for us to be confident in the future. Our guest speakers, Holly Kramer, Rose Hiscock, Susannah Moran and Jennie Hudson each made a presentation followed by a Q & A session. All of our speakers talked out the importance of always being open to the possibilities of life and to be confident in our ability to take on new tasks. A common theme of the speeches was the importance to take risks and dream to be the best you can be. Holly spoke of the need to work towards financial security for all women in order to make their own choices. Susannah, as a journalist, discussed the necessity to always stay true to your values as they are your moral compass. Our knowledgeable guest speakers also all spoke of how useful and beneficial it is to have female mentors. They further explained that women are always willing to lend other women a hand and share their advice and experiences. Overall, we are very thankful to the guest speakers and organisers of the didactic event.

Sasha Allerton (Head of Social Justice) and Frances Ryan (Head of Student Representative Council)

FROM THE DEVELOPMENT OFFICE

KRB Rugby Lunch

The KRB rugby Lunch held last Friday was an outstanding success, due to the wonderful support we received from so many in our KRB community and beyond. Guests came from country NSW and from all year groups throughout the School for a really enjoyable afternoon. The panel of Matt Burke, parent Andrew Mehrtens and Luke Ricketson were engaging in their stories of their experiences in Bledisloe Cup and NRL competitions. The Live and Silent Auction attracted much interest as did the Raffle.

A total of $98,000 was raised for the KRB Bursary Fund.

We would like to thank:

Our Committee for their support with the overall organization, sponsorship and prizes:
- Mark Brassel
- Chrissy Comino
- Michael Gazal
- Sonia Jolliffe
- Diane Maloney
- Rosalind Meehan

- Tim Murphy
- Anne O’Neil
- Charlie Robertson
- Tim Smeallie
- Emma Stevens

Our Sponsors:

GOLD SPONSORS
- MAN Group
- National Australia Bank
- Catering Industries

SILVER SPONSORS
- Peter Warren Automotive
- Gazal Industries
- Gresham Property Funds Management
- Gunlake Concrete
- Sell & Parker
- Fuji Xerox
- Fugen Constructions
- Republic Hotel
- Westpac
- Churchill’s Bar (\George Young Hotels)
- EY
- Laundry’s hotel
- Maloney’s hotel

FROM LEFT: MATT BURKE WITH STUDENTS JOSEPH RYAN, JUDE SPINOLA, EMERY JOLLIFFE & ORSON JOLLIFFE

And all who supported the function through donation of prizes. A special thanks to the Class representatives who organized fantastic hampers for the Raffle.

KRB P&F CITY GOES COUNTRY

KRB P&F invite you to a long lunch and country gathering at Philip Shaw Winery, Orange. This is an opportunity for boarder and day families to mingle in a country environment.

WHERE: Philip Shaw Winery, 100 Shiralee Road, Canobolas (Orange) www.philipshaw.com.au
WHEN: Saturday 20 September 2014
DRIVE: 3.45hrs drive from Sydney
TIME: 1.30pm
RSVP: events@krb.nsw.edu.au by Friday 12 September
COST: Adult - $90 (lunch & wine), Child - $60 (lunch & soft drink)
Pay Online: www.krb.nsw.edu.au

FOOD@KRB

The Food@KRB committee (a KRB P&F initiative) is conducting a short (about 3-4 minute) survey to collect data with regards to the current habits and customer satisfaction with food at KRB in a variety of areas including boarding and tuckshop usage. Data from this survey will be compared with the results of the research done 4 years ago before the current menu was designed to assess where we are successful and to see where we can make improvements. This survey is part of the ongoing efforts of KRB and the P and F to ensure that Food@KRB is meeting the needs of both parents and students. Currently the KRB tuckshop offers a choice of three daily specials including at least one gluten-free option. This cycle menu was introduced in 2011 when KRB removed the pies and sausage rolls and pre-prepared items from the menu at the parents’ request. The tuckshop is run jointly by school staff, Catering Industries staff and volunteers. Specials are prepared from scratch daily in the tuckshop or boarding kitchen (with the exception of the sushi which is supplied by Sushi Den.) Boarding meals are also prepared daily and Catering Industries meets fortnightly with the boarding student food committee to discuss menu changes and feedback. The tuckshop serves the day students from Kindy –Year 12, boarders and staff so we are endeavoring to obtain feedback from all groups that use the tuckshop.
