FROM THE DEPUTY PRINCIPAL

Dear Parents, Students and Staff,

We have had a very busy Term 4 so far with students focusing on exams, special projects and preparing for special celebrations to end the year. Our Years 3 and 4 students enjoyed going on camp this week to Fitzroy Falls and Years 5 and 6 students have been experiencing leadership workshops as they discern their Cor Unum leaders for 2016.

For the past two weeks Mrs Johnston-Croke has been attending the 5th International Conference for Sacred Heart Schools in Mexico. This is a valuable opportunity for Heads of Sacred Heart Schools from all over the world to meet and discuss issues and strategies for the ongoing development in learning and teaching for all students.

On Tuesday 20 October we experienced another great Sacred Heart tradition with the Feast of Mater Admirabilis. The original painting is found in the Trinita dei Monti at the top of the Spanish Steps in Rome. This was the site where the Society of the Sacred Heart founded its first school and community. Floral tributes were placed by students at the base of the portrait and many staff and students said prayers for the ongoing intercession of Mater Admirabilis in our lives.

It is wonderful to see Year 10 engaged in the last efforts for fundraising for their Philanthropy Program. There has been a wide variety of events across the School in the last fortnight and these will continue until late November. The charities chosen by the students are quite diverse in nature and last week as a community we were encouraged to support Doctors without Borders, Afripads and the Royal Deaf and Blind Institute. All are worthy causes and deserving of our support.

Student Achievements

KRB was placed sixth out of twenty-five schools at the AHIGS Festival of Speech held at Wenona last Saturday. Congratulations to Isabella Monardo who was placed fifth in the Senior Public Speaking and to our Religion and Ethical Questions Team of Antoinette Radford, Michela Castiglia, Caroline Reilly and Madeleine McDonald who were also placed fifth in their section. Special congratulations to Claire Kelly, Year 9, who was placed first in the Junior Readings. Thanks to the members of staff who coached our students - Kate O’Connor, Shelley Bartley, Ben Salvosa and Angela Harvey.

Congratulations to Bella Lamaro (Year 8), Dahyeon Kang and Ruby Green (Year 9) and Garner Hancock (Year 10) who all achieved Credits as part of the 2015 Australian Intermediate Mathematics Olympiad. These are outstanding results for the School. This was the first time KRB has entered this competition. KRB entered 25 students, across Years 7-10, and they all completed the same questions. There were 1438 students across 195 schools globally.

I would also like to congratulate our Gymnasts on achieving 1st place in Rhythmic and 3rd in Artistic at IGSSA last Thursday. This is a great result and I thank Karina Jones for the hard work in the Gymnastics accomplishment program.

TWEET OF THE WEEK

@KRBSports - Oct 23
Another great win from our Year 4 boys cricket team, defeating Sydney Grammar Edgecliff
Community
Sandwiches & Song
Sandwiches and Song held on Monday 19 October is a special event in our school calendar. It is an opportunity for our past students who left Rose Bay and Kincoppal fifty years or more ago to return to the School and connect with old friends.

On behalf of Hilary Johnston-Croke, I welcomed visitors from all the year groups, with a special welcome to our eldest past students, Alison Stephen, Rose Bay 1938 who has donated the Alison Stephen Scholarship and Tim Odillo Maher of Kincoppal 1940. We were delighted to have Laura Goodfellow, Head Boarder from the Class of 2013, speak to the guests. Laura outlined the many opportunities she had received as a KRB student, in learning, through her involvement in many co-curricular activities and in leadership.

Many of our past students expressed their appreciation of this special event:
The combination of the Liturgy in the Chapel, which we all knew so well, and the sit down lunch in the new building indicating the development of the School, was a perfect arrangement.
It was really a lovely day with the mix of current chat, nostalgia and reminders of the values which were inculcated and celebrated in our Sacré Coeur education. The latter has made a very real difference in my life.

Ignatian Schools’ Forum
On Monday 19 October, KRB hosted students from Loreto Kirribilli, St Aloysius College and Loreto Normanhurst for the Ignatian Schools’ Forum. This discussion forum meets once per term and involves Senior Students from across the schools who engage with contemporary issues through an Ignatian lens. In visiting the group I was interested to hear their serious discussion about immigration and its implications. Thank you to Carrie Scanlan and Shelley Bartley for facilitating this event.

Orientation for New Students
In the last week we have welcomed new students starting in our ELC in 2016 in both the Joigny Centre and Sophie’s Cottage. In the next few weeks we will host new students to both our Junior and Senior schools for their Orientation Day.

Orientation Days are an important time for new students and parents as they have the opportunity to become familiar with the campus, meet the staff and their peers. At KRB we aim to make the transition to our School a seamless one by demonstrating to new students and their families that we are a very supportive and loving community.

Coming Weeks
I am looking forward to my first Spring Fair on Sunday 8 November. There has been much planning by the organizing committee and I have seen numerous advertisements on social media, in the press and around the local community. It will be a great day with many interesting stalls and activities. I hope I see many of you there.

Many events will be taking place over the next few weeks. Our Year 12 students will complete their HSC exams on 6 November. Year 9 have finished exams and are preparing for their City Immersion program. Year 10 commenced their exams today.

We encourage students to do their best during the exam periods, which will be followed by a number of challenging learning opportunities.

With Regards,
Elizabeth Clark
Deputy Principal
HSC UPDATES

Mathematics – Donal Menzies, Head of Mathematics
All papers were fair, with a focus on graphing and graphs in the General paper. While the 2 Unit paper had a very accessible multiple choice section, there were some challenging final questions. As always, there are very tough sections in the Extension papers, but the students coped admirably with the challenges.

Modern History – Mr Paul Mogan, Head of History
Students were generally pleased with the nature of the examination, though it was not without its challenges. Thankfully the Core component, a source-based study of World War 1, provided an accessible range of sources to analyse, alongside a fair range of multiple-choice and short answer questions. The choice of questions dealing with the National Study of Germany were both challenging, with a choice between analysing the social, political and economic success of the Nazi Party in comparison to the democratic Weimar period, or alternatively, reviewing the importance of racial policy to the success of the Nazi movement.

The third component of the exam presented a generic set of questions to be applied to the chosen personality being studied. These two questions were well received by students who wrote about the individual Albert Speer, a close associate/architect/friend of Adolf Hitler. The final section of the paper dealt with the ISPC Study on Conflict in Europe. Both essay options were accessible to students, with a choice between evaluating the role of appeasement in the outbreak of the war, or alternatively, evaluating the impact of war on civilians in the homefronts of Britain and Germany.

Studies of Religion 1 and 2 – Dr Fran O’Neill, Head of Religious Studies
The HSC Studies of Religion Examination for 1 and 2 unit was held this Thursday. In Section 1 of the paper, which was both multiple choice and short responses, the topics covered were Religion and Beliefs Systems in Australia post 1945 and Religion and Non-Religion. The questions were very broad and required the girls to apply their knowledge to specific situations. The Depth Study Section required the girls to draw on their knowledge and understanding of Christianity, Islam and, for the 2 unit students, Judaism and Buddhism. The questions related to significant persons, significant practices and ethical guidelines of these traditions. There was a balanced selection of questions which allowed the girls to demonstrate their knowledge and insight over the whole spectrum of the course content. The Extended response which was on religious practice, enabled the girls the opportunity to go into significant depth and relate the practice to the lives of the adherents. Additionally, in the 2 unit paper the students were asked to discuss how the principal teachings of two religious traditions act as motivators ‘for bringing about peace’, thus contributing to the achievement of world peace. It was a balanced paper and the girls felt that they had the opportunity and scope to demonstrate their knowledge and understanding of the course.

LEADERSHIP TRAINING

Years 4 and 5 participated in Leadership Training days in preparation for their important leadership roles in the Junior School in 2016. The first day of training was facilitated by an award winning company, Ylead, who provided a series of activities for students to develop self-confidence, understand the value of positive and respectful relationships, explore the skills and tools associated with effective teamwork and collaboration and learn about the foundations of leadership and its place in school and the wider community. On the second day of training, students listened to a variety of speakers in current Junior and Senior Leadership roles at KRB and had the opportunity to ask questions about the challenges and rewards of their roles. Students then wrote letters to Mrs Chaplin, nominating themselves for roles and outlining their attributes and skills needed for those positions of interest to them. We wish the Year 4 and 5 students the best for voting and know that they will rise to the challenge of leadership in 2016.

KRB USA ART AND DESIGN TOUR

The KRB USA Art and Design Tour this year was a wonderful experience for the 13 students and two art teachers who accompanied them. Led by Visual Art teachers, Louise Della Franca and Jody Papandrea, the students who participated in the tour were thrilled to be in New York City and see so many iconic sights, galleries and museums that New York is famous for. The tour started with an 8 day visit to New York City which enabled students to visit world class galleries including the MOMA, The Metropolitan Museum of Art, and the Guggenheim and Brooklyn Museums. Our KRB art students also worked with a class of schoolchildren from the Bronx, acting as their inspiring mentors in a ‘Hands on Humanity’ artmaking workshop at the Clemente Soto Valez Cultural and Education Centre in New York.

Visiting the September 11 memorial, participating in a city photography tour and walking across the Brooklyn Bridge were some of the many highlights that the group experienced. The Street Art tour of New York and Brooklyn showed a different and vibrant side to the city that many visitors would normally not have a chance to see. The girls also watched a performance of Wicked on Broadway and cycled around Central Park in between sketching and photographing the sights of New York.
After New York, the group travelled to Savannah and Atlanta where they were able to visit the impressive Savannah School of Art and Design, known as SCAD. The Savannah campus is the largest campus and houses over 9,000 students who are studying in the field of Art and Design. SCAD also have campuses in Atlanta, Hong Kong and France. The girls were able to see all the possibilities that a career in art and design has to offer, with visits to the SCAD schools of fashion, photography, film, animation, graphic design, media, sculpture, printmaking, film and television.

Some comments about the tour -

‘One of my best experiences at KRB was the school art tour to America. I have learned a lot from the museums that we visited, especially The Museum of Modern Art (MOMA)! The MoMA gave me a lot of inspiration for what I could do for my Year 12 Body of Work next year. It gave me an understanding of Picasso’s sculptural work and I also saw Van Gogh’s famous “Starry Night” which made me really excited! I want to go back again one day and visit all over again! ’

‘Savannah is an architectural masterpiece, it is a really special town surrounded by art everywhere. The Savannah College of Art and Design offers a lot of opportunities for people intending to pursue a creative career. It is a great college that has all the modern technology and beautiful interior design and we got to see the different campuses and we also did an amazing workshop with one of the teachers’ The at tour was an incredible experience and I really loved it. Thank you to our teachers for taking us!’

STAGE 3 EXPLORE BODY CONFIDENCE AND SELF-ESTEEM

On Wednesday 21 October, the Butterfly Foundation sponsored a visit from the Dove Body Confidence Team to Years 5 and 6. The workshops focused on body image, self-confidence and the pressures adolescents feel about their appearance. Students enjoyed the opportunity to explore issues surrounding the media’s portrayal of the ‘perfect’ look and to discuss self-esteem and body confidence issues. We thank Unilever and the Butterfly Foundation for their visit.

YEAR 9 AND 10 DRAMA NIGHTS

Over the past few weeks, Years 9 and 10 Curriculum Drama students have presented scripted performances to audiences of family, friends and staff in the Drama Suite.

An evening of Monologues and Duologues showcased Year 10’s study of Realism and Stanislavski’s acting techniques, which was studied throughout Term 3. The individual and duo performance scenes vary greatly, from Chekhov classics to contemporary pieces written by young emerging Australian playwrights.

Year 9 Drama students presented Australian Shorts, featuring three group performances from well-known Australian plays. Students staged, rehearsed, designed and sourced costumes and props in an attempt to stay true to the integrity of both the playwright and the performance style.
EARLY LEARNING CENTRE ORIENTATION DAY

What a lovely day was had by all the children who attend the Early Learning Centre’s Orientation Day. We had 3 year old children experiencing the joys and curiosities in Sophie’s Cottage and the 4 year old children marvelling and wondering at all they will be doing in Joigny. This day is an important one for the children to see and experience their new school environment, to smooth the transition and get them excited about joining Kincoppal–Rose Bay Early Learning in 2016.

FEAST OF MATER ADMIRABILIS

The Feast of Mater Admirabilis is celebrated in all Sacred Hearts Schools on 20 October. This feast is a celebration of The Blessed Virgin Mary. In schools of the Sacred Heart throughout the world we honor Mary as Mater Admirabilis, Mother Most Admirable, on this special Feast Day. Mater Admirabilis is the Patroness of all Sacred Heart Schools and we have an image of Mater just outside our school chapel. The original fresco of Mater Admirabilis is in Rome. It is a tradition at our school for the students to pray special prayers and to place a flower or flowers at a shrine of Mater Admirabilis. On this special Feast Day, the children went with their class to look at the Mater image where they placed flowers and prayed. Mater Admirabilis, pray for us.

GLOBAL DIGNITY DAY FORUM 23/10/15

We were fortunate enough to be invited to the 2015 Global Dignity Forum, held at State Parliament in the city on Friday 23 October. In total, 140 student representatives from across Sydney united to share intriguing stories, experiences and thoughts on the concept of dignity. This included how it defines us as individuals, what it means to stand up against undignified behaviour as well as how to promote and encourage dignity across our communities, and the country.

We had the privilege of listening to The Honorable Justice Michael Kirby AC CMG, who served as a judge on the High Court of Australia from 1996-2009 and who now holds the position of Puisne Justice of the High Court of Australia, talk about his personal experiences growing up in “White Australia”. He briefly took us through the prejudices formed against LGBT community in the 20th century and the hardships which he in fact, endured. In addition, he eloquently addressed the current issue of refugees. The equality of women was the issue most systematically addressed by The Honorable Justice Michael Kirby. He also led an informative Q&A session, providing the audience an opportunity to ask questions on his story, share their own and shed light on different opinions and beliefs.

The students were then divided into smaller groups where we brainstormed the meaning behind the word dignity and how it ties into human rights, justice and our everyday lives. It was then followed with various members of the group sharing their own personal encounters with dignity, whether it be personal or general. After our group discussion, a plenary session was held in the main auditorium. It was an educational and eye- opening session about the difficulties other people our age face in their lives, whether that experience be past or present.

It was overall it was an incredible experience that really opened up our understanding to the meaning of dignity and how it has an extremely large impact on our everyday lives. It has led us to realize that we, ourselves, are ambassadors to dignity and we should pass on what we’ve learnt today in order to spread the message of Global Dignity Day. Thank you so much Ms. Atkins for accompanying us!

Dominique Yap & Charlotte McGuire
Congratulations to KRB’s Gymnasts on recently representing the KRB at the IPSHA, IGSSA and the State Gymnastics Competitions held at the Sydney Gymnastics Centre, Rooty Hill last week. At the IGSSA Gymnastics Competition, KRB placed 1st overall in Rhythmic and 3rd overall in Artistic which is a great achievement.

Results from these competitions are as follows:

Rhythmic Gymnastics Results

**IPSHA**
- Foundation 1 - 1st place (Silvia Goldman, Rosie Meikle, Allega Pantzer, Jamaica Levy, Aleksia Park)
- Foundation 2 - 3rd place (Elena Goldman, Isabella Bustos-McNeil, Lily Fogg)
- Category 2 ball group - 1st place (Anoushka Nesbitt, Georgia St John, Lilli Meikle, Ellie Norburn)
- Category 3 hoop group - 1st place (Juliette Carr, Thomasina Cook, Eve McLeish, Alessia Gallimore)

**IGSSA – KRB placed first overall as a team in Division 2**

**KRB team:** Sophie Redden, Polly Gale, Alice Kelly, Charlotte Nesbitt, Alessandra Gazal, Georgia Strain, Charlotte Robertson, Lily Bates & Abby Moran

**Best individual results:**

**Level 5**
- Georgia Strain - 3rd rope, 3rd hoop, 5th clubs
- Charlotte Robertson - 4th rope, 5th clubs
- Alessandra Gazal - 7th rope, 7th hoop, 8th clubs

After competing at IPSHA on Thursday or IGSSA on Friday the following girls attended the State Championships on the weekend receiving the following results:

**NSW State Championships:**

**Level 3 Sub-Junior:**
- Lilli Meikle - 13th overall
- Grace Carter - 29th overall

**Level 3 Junior:**
- Thomasina Cook - 10th overall
- Georgia St John - 23rd overall

**Level 4 Junior:**
- Alessia Gallimore - 8th rope, 14th overall
- Juliette Carr - 30th overall

**Level 5 Sub-Junior:**
- Eve McLeish - 6th hoop, 9th overall

**Level 5 Senior:**
- Georgia Strain - 8th rope, 8th hoop, 6th clubs, 8th overall
- Charlotte Robertson - 5th hoop, 9th overall

Congratulations to all Rhythmic Gymnasts on the above outstanding results.

**Artistic Results**

**IPSHA**
- Level 1 Team placed 6th Overall
- Ariella Perkins, Aleskia Park, Victoria Ongay and Annabelle Waugh
- Level 2 Team placed 4th Overall
- Alessandra Cox, Isabella Zuccon, Alice Summerfield, Harriet Sutton and Daisy Hodgson
- Level 3 Team placed 7th Overall
- Hannah Hunter, Manon Spinola, Lola Ambrosino, Alex Field, Lila Tapper and Tahlia Meli
- Level 4 Team placed 5th Overall
- Lucie Norburn, Clemence Machineau, Eleanor Miller, Alice Volfneuk, Eve McLeish, Eva Smith and Hailey Thill-Turke
- Level 5 Team placed 2nd Overall
- Coco Remond, Amelia Smith and Lucia Parker

**Outstanding Individual Achievement’s**
- Ariella Perkins 3rd on Beam for Level 1
- Manon Spinola 7th on Bars for Level 3
- Eleanor Miller 3rd on Vault for Level 4
- Coco Remond 3rd on Beam and 5th on Floor for Level 5
- Amelia Smith 1st on Vault and 7th on floor for Level 5

**IGSSA results - 3rd overall**
- Level 3 - Olympia Horsley and Charlotte Robertson
- Level 4 - Gabriella English, Capri Felix, Tallulah Baron, Harriet Robertson, Paris Mir and Milla Holmes-Stenback
- Level 5 - Alessandra Gazal, Abby Moran, Georgia Strain and Sienna Mulham
- Level 7 - Olympia Denton

**Outstanding Individual Achievement’s**
- Alessandra Gazal placed 3rd on Vault in Level 5
- Paris Mir and Harriet Robertson placed equal 3rd on Vault for Level 4

Congratulations to all KRB Gymnasts on their fantastic achievements and to Head Coach Karina Jones and her team of Coaches: Marianna Lendvai, Jessica Gazal, Claudia Jones and Madii Himbury for all their work leading up to the IPSHA, IGSSA and State Championships in Gymnastics. The results students have received in 2016 have been some of the best we have received overall.

**INTER HOUSE SPORTS FUNDRAISER**

Last Tuesday all students in Year 7-11 participated in the first Glory Shield event for 2016. Led by our Head of Sport Phoebe McGeoch and the team of Heads of House, the girls held a bake sale at recess and an obstacle course relay and BBQ at lunch time. The obstacle course involved a team of girls from each colour house in each year group. The events started with a swim, run obstacle course through the MTC and finished with another run leg. Congratulations to Tangara on winning the overall pointscore for this event.

The funds raised will assist entry fee for two KRB students Elly O’Donoghue and Rhannon Carr, to the Pan Pacific Games in November. We wish them best of luck at the Pan Pacific Games and look forward to hearing their results on their return.

**2016 SPORTS NOMINATIONS**

The nominations for Term 1 sports in 2016 will appear on the Sports portals shortly. Please ensure these are completed within the next 2 weeks as KRB has to submit team entries shortly for all Term 1 sporting teams in 2016.
FROM THE DEVELOPMENT OFFICE

Sandwiches and Song, held for past students from Kincoppal and Rose Bay, took place on Monday 19 October. This is a function jointly organised by the Development Office and the Sacré Coeur Association. This year the Classes of 1945 and 1946 celebrated their reunion, organized by Sister Margaret McKay rscj, who would be known to many parents and past students. It was a really memorable occasion and we were delighted to have Laura Goodfellow, Head Boarder of the Class of 2013 speak of her experiences while at School and the difference they had made to her life. The lunch is also an opportunity to speak about the Bequest program and to encourage members of our community to consider supporting the School in this very significant area.

In 2016 we will be seeking support from our parents to be part of various fundraising support groups. These include:

1. The Bursary Committee – focused on raising funds for the Bursary Fund
2. The Junior School Masterplan – focused on raising funds for this significant capital development
3. The Rugby Lunch to be held on Friday 5 August. This raises funds for the Bursary Fund.

If you are interested in being involved in any of these areas, I would be delighted to hear from you.

Kind regards

Mary Cook
Director of Development
