To all Students and Parents,

Kincoppal Rose Bay School is proud to announce that The Maureen Tudehope Centre (MTC) is about to commence operation.

As part of the local planning regulations, KRB is obliged to introduce amended traffic management arrangements for daily drop-off and pick-up of students by their parents.

The amended procedures, as described with this leaflet will be introduced from Wednesday 27 April 2011

For any senior student enquiries, please email studentservices@krb.nsw.edu.au

For any junior student enquiries, please email juniorschool@krb.nsw.edu.au

**WHAT ARE SOME DIFFERENCES WE CAN EXPECT?**

- The school side of Vaucluse Rd will be a ‘NO STOPPING’ zone
- The current double lines on the road will be centred and extended to help indicate new traffic direction
- There will be two separate drop off / pick up points and times for:
  - ELC - Year 2 (Junior School)
  - Years 3 - 12 (MTC)
- No right turn on double lines when exiting MTC
- Bus procedures will remain the same
